

# Do You Pay Your Bills

Being the Seventh and Continuation of a Series of Talks on Bills and the Payment of Them

## Which?

John Doe, 22 Prosperity avenue.....4YD  
James Smith, 543 Shiftless street.....H

Two meaningless lines to the reader who does not know. But to the man who does know the cipher, they tell a story. And to those who know and stopped to think the "4YD" and the "H" mean a volume.

It's the story of two men's lives. One lived so that HONOR, HONESTY and INTEGRITY predominated—the other didn't.

John Doe PAID HIS BILLS PROMPTLY and met his obligations as they fell due.

James Smith chose the other way—HE WAS DISHONEST, WITHOUT HONOR and rapidly drifted into the "dead-beat" class. The "H" tells the story. Deciphered it means "REQUIRE CASH."

The "YD" means "PROMPT PAY—GOOD CREDIT."

John Doe could walk into any store in town, buy a bill of goods, and say "Charge it," and walk out with his purchases under his arm.

James Smith couldn't.

Catalog yourself. Are you a John Doe or a James Smith? Do you belong to the "YD" or the "H" class?

## Credit Is Yours

CREDIT IS A WONDERFUL THING.

It buys all things material. It buys gold, therefore is worth more than gold.

CREDIT IS DEMOCRATIC.

Anyone can get it—the laborer in the ditch, or the wealthiest man.

It knows no class as judged by money. It belongs to him who has HONOR. It comes unbeckoned to him WHO PAYS HIS BILLS.

It says "show me" and if the "show-down" of past performances can "show"—can point to OBLIGATIONS FILLED and HONOR KEPT—credit is yours; but only so long as you continue to fill obligations and keep company with honor.

## Credit Is Fickle

Let overdue promises accumulate—broken promises pile up and credit waves adieu.

Again, tackle accumulated obligations and broken promises—PAY UP—make an effort to square yourself, COURT HONOR AND YOU COURT CREDIT. WIN HONOR and YOU WIN CREDIT.

The effort is worth the while.

## PAY UP

NOW spelled backward means SUCCESS.

Stop dilly-dallying. Pull yourself together. Get the reins in your hands and DRIVE. Don't follow—DRIVE.

START TODAY TO PAY YOUR BILLS.

Last month's bills are due NOW. If your credit is good and you want to keep it good, pay up now.

If your bills have accumulated—are past due to such an extent you can't pay them all at once, pay some, as much as you can. DO YOUR BEST. DON'T GO INTO the "DEAD-BEAT" mire.

No matter how small an account is, take care of it. Always remember the merchant has hundreds, probably thousands of accounts just like yours on his books. In the aggregate they mount up.

If you'll show a disposition to MAKE GOOD the merchant will help you. He is as interested in your credit as you are. He is just as anxious that you have a good one as you.

Don't try to BEAT YOUR WAY. You'll be caught. Always remember that it's harder to go wrong than to go straight.

The CREDIT MEN'S ORGANIZATION is keeping a tab on your record. They know when you pay as well as when you don't. This united organization is making it impossible for you to get merchandise unless you PAY YOUR BILLS.

And the same organization is making it easier for you to buy goods when you do.

PAY UP—TOMORROW'S THE TIME.
