

WARRIORS, HARBORS ITEM

BUDBEAR IN SENATE

Session Devoted to \$56,000,000 Rider

RAH CHIEF OBJECTOR

Senator Urges Amendment to Item to \$27,000,000, Recommended by Bureau

ARLINGTON, Feb. 2.—For the second successive day, the senate devoted its entire session today to the consideration of the \$56,000,000 harbor and harbors item in the army bill, but an agreement finally reached for voting to adjourn on all pending amendments after 4 p. m. tomorrow.

The debate covered a wide range of subjects, including the constitutional right of the federal government to assume jurisdiction within the harbors and harbors within the limits of the states.

Senator Borah, Republican, Idaho, whose amendment reducing the item to \$27,000,000 as recommended by the bureau, dominated the debate, declaring that the item was a "monstrous" one and that the government should not be burdened with such a heavy load.

Senator Borah's amendment would reduce the item to \$27,000,000, which he argued was sufficient to take care of the necessary improvements.

Violins loaned free to beginners, Pacific Conservatory, 731 Williamette street. Violin, piano, voice, cello, wind instruments taught.

ANOTHER WAR TREND

CLARK SAYS STATES CANNOT BE USED

Thinks Conflict With Russia Is Sufficiently Serious to Warrant War

There will be no war in Europe and the United States cannot very well keep out of it, declared Clark, who was in an address at the "Ivory City of Oregon" club, which is likely to be held at Clark's club, as soon as the Russian conference is organized to take an active part in the European league.

"I regard such a war as inevitable," said Clark. He regards the Russian conference as a "grand game of bluff on both sides."

"Each is hoping that the other will give way first. But such a game is dangerous," he continued. "For there are those who will remember the Russian revolution of 1914, just before the great war."

If a war should arise in Europe, Clark believes, the flames of the conflagration would spring up in the east rather than in the west, Western Europe, however, is not in a fit state to catch fire, he said.

"I do not believe that the French are attempting to impose an imperial empire in Europe," Clark said in speaking of the present policy of the French government in the Ruhr valley. "I think that they are simply trying to force the Germans into a road on which they cannot come back."

"I believe," he continued, "that in even of a war, the United States will almost inevitably be drawn into it because we could not stay out. One of the other of the belligerents would be sure to step on our toes. There are some people who seem to forget that we entered the world war, not entirely to save the world, but because the Germans were destroying our shipping."

Clark said that the United States will almost inevitably be drawn into it because we could not stay out. One of the other of the belligerents would be sure to step on our toes. There are some people who seem to forget that we entered the world war, not entirely to save the world, but because the Germans were destroying our shipping.

BIBLE PHRASE IS TOPIC

"CONFESSION" IS EXPLAINED BY EVANGELIST

Rev. Jesse Kellens Speaks at Christian Church on Doctrine of Christianity

Last evening, Dr. Jesse Kellens, the evangelist, who is preaching in the Christian church revival, explained the doctrine of that church in regard to "confession." "We have been accused of inventing the phrase 'the good confession.' However, we are correct in the use of this phrase, for the Bible tells us that they 'confess the good confession' in the presence of many witnesses."

The good confession is emphasized in all Christian churches. Very seldom in a sermon ever preached that does not end with an invitation for those present who are not in the church to come forward and publicly confess Christ. These people are asked the question, "Do you believe that Jesus is the Son of God and your Saviour? This is the creed of the church. Our creed is Jesus as the Son of God. Our creed is not the Bible, although we believe the Bible to be the Word of God. We believe in Jesus as revealed in the Bible. The church was founded upon the deity of Jesus long before the Bible was in existence. The church has prospered and grown since before the Bible as we now know it was ever assembled. Our creed is not in any book written by men, even though those men be inspired of God."

"It is good for men to make this open statement before the world; it gives them the moral stamina that they will need to live the Christian life. Then, too, it is only a matter of good sense to confess Christ. If we do not acknowledge Him now as a faithful follower, we will be forced in that last day to acknowledge Him as a conquered rebel. How much better to line up with Him now, for He has promised that if we will confess Him before men He will confess us before the Father and all the holy angels."

"I believe," he continued, "that in even of a war, the United States will almost inevitably be drawn into it because we could not stay out. One of the other of the belligerents would be sure to step on our toes. There are some people who seem to forget that we entered the world war, not entirely to save the world, but because the Germans were destroying our shipping."

GIRLS PLAN TO SHOOT

RIFLE COMPETITION TO BE HELD AT UNIVERSITY

Myrtle Parker Dies Pacific Coast Record When She Scores 99 Out of 100

Intramural rifle competition for girls of the university will start at 10 o'clock Monday, February 12, according to an announcement made yesterday by Lieutenant M. E. Knowles, in charge of rifle work at the U. S. O. T. C. Each girl must have one team of five members, and the girls of residence, Hendricks and Susan Campbell, will be allowed two teams.

In order that shooting will not interfere with the class work, members of the teams participating may fire at any time during the competition. The target to count in the competition, however, must be specified before firing is begun, stated Lieutenant Knowles. All individuals entered must complete their firing by February 24.

Scoring 99 out of a possible 100, Myrtle Parker, a member of Alpha Xi Delta, yesterday morning tied the Pacific coast record for girls. Wave Anderson, a member of Alpha Sigma team last year, also scored 99 in a meet a year ago. The next best score, 98, was made last year by Beryl Jarman, of O. A. C.

Assurance has been given that the rifle competition for girls will be made a minor sport at the university, according to Lieutenant Knowles, who states that a small "O" is to be awarded to all girls who become members of the varsity team.

All matches will be fired on National Rifle association targets, and will consist of 12 shots prone.

Clark said that the United States will almost inevitably be drawn into it because we could not stay out. One of the other of the belligerents would be sure to step on our toes. There are some people who seem to forget that we entered the world war, not entirely to save the world, but because the Germans were destroying our shipping.

MISS ESTHER DAYMAN TO BE HERE THIS WEEK

Meetings Will Be Held Here Under Direction of Y. W. C. A. Mothers Club

Miss Esther Dayman, regional director for girl reserves and secretary for work with younger girls in the Young Women's Christian association, will be in Eugene on Thursday and Friday from San Francisco. She comes to visit the girl reserves at the Eugene high school and to get in touch with any other groups of girls who are ready to organize. The university Y. W. C. A. is arranging a meeting to which all those who are interested in organizing girls' work in Eugene are invited.

The Eugene Mothers' club and Mrs. E. L. Fletcher, advisor for the girl reserves at the high school, are sponsoring the movement, and it is hoped that a representative number of mothers and teachers of Eugene girls of high school and junior high age will give it their support. The meeting will be at 3:30 on Friday afternoon at the Y. W
