TRAFFIC SNARL VEXING

EAST SIDE RESIDENTS ASK BETTER STREET FACILITIES

(Register Lane County Special)
COTTAGE GROVE, Ore., March 12.—A number of citizens residing east of the Southern Pacific tracks are planning to start some kind of a move that will result in making it easier and more convenient for them to get back and forth between their homes and the business district. There are now but two principal crossings between these two parts of the city, one on Main street at the Southern Pacific station and the one at Sixth street and Quincy avenue. The latter really serves only the south part of the city, as no street has been graded east from that point. Quincy avenue, the only avenue open, is a quagmire in the winter season, which leaves only the Main street crossing to care for all the traffic of the east part of the city, as well as a portion of Delight Valley.

A number of citizens have expressed the belief that an overhead crossing should be erected on Main street, which would do away with delays of 10 minutes to 30 minutes or more whenever a Southern Pacific train covers the crossing. A passenger train cannot clear the crossing and often it is inconvenient for the freights to do so. Many complaints have been made to the Southern Pacific because this crossing has often been blocked much longer than permitted by law.

H. H. PETRIE PASSES ON

WELL KNOWN DENTIST OF COTTAGE GROVE DIES

(Register Lane County Special)
COTTAGE GROVE, Ore., March 12.—Harley Holcomb Petrie, who has been engaged in the practice of dentistry in this city for more than 25 years, died at 12 o'clock Sunday at his home in this city following an illness of about a month. Funeral services will be held at 2:30 Tuesday from Mills chapel, Rev. A. H. Sparrow officiating. Interment was in the A. F. and A. M. L. O. O. F. cemetery.

Death came while Mr. Petrie was sitting quietly in his chair at his home. He had eaten a hearty breakfast in the morning, apparently feeling improved from the severe cold and touch of pneumonia from which he had been suffering.

Mr. Petrie was born in Concord, Jefferson county, Wisconsin, November 20, 1865, coming to Oregon with his parents when he was 19 years old. His father engaged in farming, locating first near Eugene and then moving to Lorane where he purchased 1400 acres of land. For 30 years Mr. Petrie was engaged in dentistry, practicing in Reedsburg for a few years before locating here. He was married March 24, 1895, to Miss Anna Griffin, of this city.

Besides his widow, Mr. Petrie is survived by one brother, E. C. Petrie, of Springfield, Wis.; a nephew, E. C. Lockwood, of this city, and four nieces, Mrs. Horace Connor, of Grants Pass; Mrs. Wallace, and Mrs. Louis Holmes, both of Silverdale, Wash., and Mrs. Percy Wickersham, of Yakima, Wash. A brother, Irving Petrie, died March 3 and it was during his illness and death that Dr. Petrie contracted the cold which resulted in pneumonia.

If—
EVERY WOMAN who
READS this MESSAGE
will cut this out as a reminder—

Just remember these facts about Mazola: Not only does it make all foods fried in it more wholesome and digestible, but there is no waste. After frying merely strain, and use it over and over again. Mazola carries no odors nor flavors from one food to another.

For every baking purpose Mazola is equal to butter, and much better than animal fats. As it is an absolutely pure oil, it contains no water, as do butter and lard.

So if your recipe calls for, say, a cupful of butter or lard, use only 3/4 to 1 of a cupful of Mazola.

And remember, too, that many of the best judges of salad oil prefer Mazola even to imported olive oil for its purity and flavor.

Your Grocer

sells Mazola in pint, quart, half-gallon and gallon tins, packed and sealed under expert supervision. It is never sold in bottles or bulk. If Mazola is unsatisfactory to you, your grocer refunds the cost without question.
