SIDEWALKS NEED REPAIR

COMMITTEE MEETS TO CONSIDER CIVIC IMPROVEMENT

(Register Lane County Special)

CRESWELL, Ore., March 17.—The street committee consisting of C. F. Moore, Mrs. Ethel Treanor and Dr. W. E. Thompson met at the office of C. H. Sedgwick with Mayor H. C. Travillion on Friday evening called especially for considering the action the town should take in securing the repair of sidewalks. They have made a careful inspection and find many and practically all in need of repair.

Often a board of two replaced will secure the public from all danger of accident.

The action of the committee finally concluded to give until April 15 as a time limit in which all lot owners may have an opportunity to make the necessary repairs and an effort will be made to have some one in town put in a stock of sidewalk lumber so that the needed material may be secured.

After that date the committee proposes to take action as provided by ordinance to secure the necessary repairs by posting the legal notices and if not complied with to make repairs and charge it to the lots. Where condemnation of sidewalks is taken action as provided by ordinance to secure the necessary repairs by posting the legal notices and if not complied with to make repairs and charge it to the lots.
