Is a Bad Back
Wearing You Out?

Do you rise in the morning
lame and stiff? Drag through
the day with your back a dull,
unending ache? Evening find you
"all played out"? Likely, then,
your kidneys have weakened.
That's why you have those head-
aches, dizzy spells and bladder
irregularities—why you feel so
tired, irritable and depressed.
Don't delay! Use Doan's Kidney
Pills. Ask your neighbor!

HERE'S A EUGENE CASE:

Mrs. W. E. Smith, 216 Washing-
ton st., says: "I have used Doan's
Kidney Pills with benefit several
times when my kidneys were out
of order. I had attacks of back-
ache that made me miserable. My
kidneys didn't act right, either.
Doan's Kidney Pills always gave
me relief from these attacks."

Bank Makes Improvements

(Register Lane County Special)
CRESWELL, Ore., April 2.—
The Creswell Fruit Growers' bank
has remodeled the bank furniture
by taking out the partitions in the
rear and making one large light
and commodious room on the floor
of which has been laid a fine lin-
oleum and in which has been
placed a desk and chairs for cus-
tomers and patrons where they
may write letters when in town
or have conferences with one
another or the bank officials. The
new arrangement is very desirable
and the bank is endeavoring to make
its quarters homelike and cordial
to Creswell citizens where they
may feel free to meet. J. W.
Hyett, the general vice-president
and cashier, is the instigator of the
plan.

Severe Storm Hits Creswell

(Register Lane County Special)
CRESWELL, Ore., April 2.—
Creswell was visited Sunday with
quite a variety of celestial fire,
works, sunshin and rain inter-
spered with electric pyrotechnics
that glistered with lightning and
roared with thunder; a little hail
mingled with the green grass on
the lawns. One of the transformers
on the Mountain States line
was burned out which suspended
operations at the water plant so
that the gasoline engine had to
be used. The lights involuntarily
went out and on for short periods.
