MR. RUTHERFORD SPEAKS TO HIGH SCHOOL STUDENTS

(Register Lane County Special) CRESWELL, Ore., April 20.—The student body of the high school heard an address on Friday afternoon given by Mr. Rutherford, coming from or under the auspices of the M. C. A. at Portland. Mr. Rutherford stands as an object lesson of the error of the use of cigarettes which he admits and having overcome feels it a service to warn the youth of the land against them. He gave a resume of his life history showing how he was an only child and indulged by his parents and he commenced and continued the use of cigarettes until he became a mental wreck. He was unfit and unaccepted for service in the Civil war; his fight against their use was a terrific battle but he has overcome and now feels able to do something for himself and humanity in a timely and earnest warning. The local W. C. T. U. assisted in funds to finance this lecture and several of their members were present.

I was to become the mother of my ninth child, and I thought I did not have the strength to go through with it. I took Lydia E. Pinkham's Vegetable Compound, and it has surely done all I could ask it to do and I am telling all my friends about it. I have a nice big baby girl and am feeling fine. You may use this letter to help other sick mothers.—Mrs. C. A. MOEBE, Box 634, Windom, Minn. My First Child Glen Allen, Ala.—I have been greatly benefited by taking Lydia E. Pinkham's Vegetable Compound for bearing-down feelings and pains. I was troubled in this way for nearly four years, following the birth of my first child, and at times could hardly stand on my feet. A neighbor recommended the Vegetable Compound to me after I had taken doctor's medicines without much benefit. It has relieved my pains and gives me strength. I recommend it and give you permission to use my testimonial letter.—Mrs. Ida RYE, Glen Allen, Alabama.
