RHEUMATISM

Cannot Exist in the Human Body if You Will Use Trunk's Prescription

It is preposterous; in fact, it is a shame, inflammatory, muscular, sciatic or any form of rheumatism.

NAIL THAT LIE

Some one is spreading the rumor that the Eugene Farmers Creamery has ceased to accept butterfat from anyone except stockholders.

There is no foundation for this rumor, and anyone who makes the statement that we do not buy butterfat from non-stockholders is either misinformed or is telling a deliberate lie.

Washington, D. C.—"Lydia E. Pinkham's Vegetable Compound saved me from an operation which a physician said I would have to have for a very bad case of female trouble. My system was all run-down for two years after my little girl was born. Then I read of your wonderful medicine and decided to try it. I could hardly drag one foot after the other, and after taking six bottles of the Vegetable Compound I felt like a new woman. I now do all my household work, also washing and ironing, and do not know what real trouble is. My health is fine, and I weigh 140 pounds. When I started taking it I weighed 97 pounds. I gladly recommend Lydia E. Pinkham's Vegetable Compound to any one who is suffering from female trouble or is run-down. You may use this testimonial for I am only too glad to let suffering women know that the Vegetable Compound did for me."—Mrs. IDA HEWITT, 1529 Penna. Ave. S. E., Washington, D. C.

Such letters from women in every section of this country prove beyond question the merit of Lydia E. Pinkham's Vegetable Compound.

NAIL THAT LIE
Some one is spreading the rumor that the Eugene Farmers Creamery has ceased to accept butterfat from anyone except stockholders. There is no foundation for this rumor, and anyone who makes the statement that we do not buy butterfat from non-stockholders is either misinformed or is telling a deliberate lie. The price which we quote below is an open price for anyone who has butterfat to sell. We Are Paying 41c for Butterfat f. o. b. Eugene Eugene Farmers Creamery
