25 industrial clubs in the Lane county schools.
The clubs receiving these charters have prepared their programs of work and sent them to the Oregon Agricultural college. The programs have been approved and the charters prepared by the department of agriculture at Washington, D. C., and signed by Henry C. Wallace, secretary of agriculture; J. A. Churchill, state superintendent of public instruction; Paul V. Maris, director of the extension division of the agricultural college, and H. C. Seymour, state club leader.

Club Members Go to Corvallis
Reports are coming in to the effect that Lane county will be well represented at the club members' summer school at Corvallis, which begins June 18. Many useful things along the lines of agriculture, stock raising and household economy are taught club children by the teaching staff of O. A. C. Among the subjects are gardening, dairying, hog raising, poultry management, etc. In addition to the class work assemblies are held daily where prominent people meet and talk to the children.

Under the management of H. C. Seymour, state club leader, and his staff of workers the children are under careful supervision and have one of the jolliest times of their life. Probably twenty-five will attend from Lane county.

The following clubs received charters at this time:
Clubs Get Charters
The Glenwood Sewing club of Eugene, motor route B, Mrs. Otto J. Elden, leader—21 members.
The Riverview Busy Bee Sewing club, near Junction City, Mrs. C. W. Edwards, leader—15 members.

Y. M. COMMITTEE NAMED

PLANS FOR COUNTY-WIDE ASSOCIATION TALKED

Appointment of an executive committee to handle the arrangements for the organization of the Lane county Y. M. C. A. was made at a meeting last evening of the officials recently appointed to the preliminary group. The new committee is composed of J. E. Miller, Junction City; C. B. Swango, Coburg; A. E. Marsh, Elmira; N. R. Workman, Marcola; and one other member from Cottage Grove, who will be appointed later. F. B. Harlow and A. G. Sater will be ex-officio members of the executive committee.

A meeting of the committee will be held at 8 o'clock on June 11 to discuss plans for the county organization and to prepare a tentative budget for the plan which will be started in September.

Stockmen End Annual Meet
UNION, Ore., June 5.—The Oregon Cattle and Horse Raisers' association's annual convention closed tonight with a big banquet. William Pollman, Baker, was elected president; Governor Walter Pierce and Fred Phillips of Baker were named vice-presidents; Oscar Correll, Baker, secretary; and Judge J. B. Hunsaker, Baker, was chosen as the next meeting place. Governor Pierce was the chief speaker today.

Insure with Henry Tromp, 33 W. 9.

Extra mileage without Extra cost

Whatever your estimate of your car's mileage capacity, you can add to it if you follow the three important steps given below. It is the estimate of authorities that one-third more mileage may be expected when the crank case is properly cleaned and a perfected motor oil is used.

In choosing a motor oil, remember that service in the engine is the only conclusive test of lubricating value. This is the sole basis on which Cylcol Motor Oil was created and is sold.

Cylcol is perfected by the new Hexeon Process, used only by us. This process makes Cylcol free from destructive "sulpho" compounds. As a result Cylcol does not break down nor thin out rapidly under engine heat. It maintains an unbroken lubricating film between moving parts and protects your engine against serious damage and early depreciation.

Consult the Cylcol Recommendation Chart for the correct grade of Cylcol for your engine. Ask the dealer who sells Cylcol.

compounds

AUTOMOBILE MILEAGE EXTENSION CHART

Three important steps in securing perfected lubrication

1. Clean the crank case every 500 to 1,000 miles and when changing from one brand of motor oil to another.
2. Flush the crank case only with fresh motor oil—cover with kerosene or so-called "flushing" oils.
3. Lubricate with the correct grade of Cylcol—the perfected motor oil, as shown on the Cylcol Recommendation Chart.

PERFECTED LUBRICATION

DAMAGE CASE ON TRIAL

CHAS. J. BURKHOLDER, JR. vs. FRANK BURKHOLDER, JR. and others. Trial set for June 11 at 10 o'clock in the morning in the Circuit Court.

A damage suit wherein Mrs. Chas. J. Burkholder, Jr. seeks to recover \$3,000 from Frank Burkholder, Jr. and others for injuries alleged to have been sustained by her while riding in an automobile driven by the defendant is now on trial in circuit court and will go to the jury some time this forenoon. The taking of the testimony was finished yesterday afternoon.

Mrs. Cummings was taken by

Burkholder and another member of his family firm to a point near Lebanon to see a farm and upon their return the car in which they were riding overturned and Mrs. Cummings sustained injuries. According to her testimony, she claims that the defendants were at fault.

The jury consists of J. W. Hockaday, William Weaver, C. M. Park, L. C. Davison, A. L. Taylor, Madge B. Astison, Herman Blocker, P. H. Magee, Ruth L. Wroesler, J. E. Skelton and Monroe Hill.

Young and Ray are attorneys for the plaintiff and Williams and Bean represent the defendants.

MONEY IS LOANED HERE

COMPANY SELECTS EUGENE AS DISTRIBUTING POINT

The firm of Peterson and McCully have secured from the Prudential Insurance company of America, of Newark, N. J., acceptance of the city of Eugene for the loaning of their funds on residence and business property.

The company's policy is to provide money for home builders at low rates of interest, with full payment privileges, so as to enable a home owner to liquidate his indebtedness and at the same time reduce his interest payments. Peterson and McCully have represented this company in the Lane county mortgage field of Western Oregon for the past five years.
