The Highest Peak in the Canadian Rockies

MT. ROBSON

You've not seen the CANADIAN ROCKIES until you've seen MOUNT ROBSON

Mt. Robson, as seen from Robson platform, presents an awe-inspiring sight. From the valley to its snow-capped peaks, encircled by fleecy clouds, is an almost sheer rise of two miles. Its slopes are streaked and splashed with perpetual snow. The supreme view of Mt. Robson is obtained by following the trail to Berg Lake, 17 miles distant. Here is Emperor Falls, higher than Niagara; Tumbling Glacier, from which enormous blocks of ice periodically drop with a thunderous roar.

ALL PENNSYLVANIA

Told By The Bearings

The expert mechanic quickly sees the difference in oils. The bearings show it—and more plainly than any chemical analysis or qualifications. He sees the crankcase which contained the oils that break down under heat—that don't hold their "body" under even normal conditions, and before he looks at the bearings he knows the story.

Then he sees the crankcase that has been properly lubricated with Waverly, All Pennsylvania, 100% Paraffine Motor Oil. The bearings again tell their story. Normal wear, of course, but bright, snug and showing the minimum of wear. That's why we sell and recommend Waverly Motor Lubricants.

CRESWELL NEWS NOTES

(Register Lane County Special)

CRESWELL, Ore., June 21.—An impressive memorial service was held jointly by the Odd Fellow and Rebekah lodges at their rooms on Wednesday evening and an address was given by Rev. J. L. Stratford that was highly appreciated. A quartet consisting of Miss Edna Ziniker, Mrs. Cora Olson, E. W. Hedgpeth and C. E. Jasmin rendered appropriate selections. After the exercises a social time prevailed with ice cream and cake for refreshments.

The Methodist Sunday school held their annual picnic in Howe's grove west of town on Wednesday. A genuine good time was enjoyed by all with the usual hearty and bountiful picnic dinner, baseball and games aplenty.

Rev. and Mrs. D. C. Danley left Thursday morning by auto for Arapahoe, Wyoming, where they will take up work among the Indians of that locality. They have been in the mission work supported by the Presbyterian church before and have taken up this work as a final duty and privilege intending in due time to return to Creswell which they regard as the permanent home.

Rev. W. V. Chapin and Oliver Veatch, of Cottage Grove, were in Creswell Wednesday. Rev. Chapin is contemplating moving to Creswell and rented the place owned by Mrs. Shaub, occuped by Mrs Schepman temporarily, until they get permanently located.

Mrs. Ed Anderson took an auto party to Marcola Thursday. Those accompanying her were Mrs. Roy York, Evelyn York and Elizabeth Sedgwick.

The Presbyterian Sunday school picnic will be held in Ziniker's Grove Friday of this week.

Mrs. Margaret Martin, of Eugene, was in Creswell on business Wednesday.

Mrs. Moss and Mrs. Beytien, of Eugene, were entertained at luncheon Wednesday noon at the home of Mrs. E. Groshong.

Mrs. F. A. Richardson went to Salem Wednesday to attend a state meeting of the Red Cross.

Mr. and Mrs. Leo Cossman and Mrs. John Cossman are up from Eugene. They are making some improvements on the Cossman property.

Mr. and Mrs. Clark Randall visited over the week-end with Mrs. Randall's parents below Eugene.

DAILY MARKET REPORT

OREGON JOURNAL MARKET SERVICE

PORTLAND, Ore., June 21.—Poultry buyers are not willing to take hold of "forced" fed stuff from the country because of the lack of uniform quality. They are not inclined to look with favor upon such offerings and in some instances are unwilling to even make bids.

There is a good strong demand for heavy weight hens—stock that weighs four pounds or more—but recently much of the heavy class stuff has not been up to heavy weight requirements. Much of the Rocks have been below the four-pound mark.

BUTTER SITUATION IS STEADY

General steadiness is shown in the market for butter here, but the only active trend is in No. 1 quality. No. 2 stuff or worse is in oversupply, with little willingness to take on liberal stocks.

EGG SITUATION IS STEADY

Full steadiness is shown all through the market for eggs. No general change was shown in either buying or selling figures, but the call for mixed colors is increasing rapidly. The public is no longer willing to pay fancy premiums for white eggs.

STRAWBERRIES ARE LOWER

Lower prices were named for strawberries by wholesalers Thursday, with a general top of $1.50 for shipping stock. Receipts were not liberal, but demand was not keen. Raspberries generally at $2.75@$3.25.

CANTALOUPE PRICES REDUCED

Weather conditions have forced further declines in the market for cantaloupes here with several carloads on the track. Sales no higher than $3.75 for standards. Each watermelon looks like the North Pole. There is no special demand.

VEAL TREND RULES EASIER

Generally easier trend is indicated for country-killed calves along Front street. Sales are no higher than 13 1-2c generally, being a general cut of 1-2c pound. Hogs are slow at 11c for most tops.
