Circus and Ice Cream Social Great Success

Event at Unity School House Saturday Night Nets Playshed Fund More Than $40

(Register Lane County Special)

WINBERRY, Ore. June 25—The circus and ice cream social held Saturday evening at the Unity school house was a decided success, netting the playshed fund over $40. The fun began at the entrance gate where Mrs. W. Larimer and Miss Cathrine Connley disguised as negroes sold tickets and next Frank E. Blair as spieler auctioneer and proprietor of the Pumpkin Center grocery store kept things lively.

Miss Daisey Neet and Miss Grace Renfro as gypsy girls rounded up customers for the fortune teller lady which part Mrs. Ernest Walker took. Each lady was presented with a picture of her future husband and offered a drink of turtle soup out of a pot containing a real live turtle. Misses Vena and Veda Renfro posed as the siamese twins. Miss Lucile Larmier as the snake charmer was busy keeping her snakes in good humor. Harold Humphrey who took the part of the giant, made the sightseers look pretty small.

Enacts Bearded Lady Role

Mrs. Grover Walker as the bearded lady, kept the people guessing; the beautiful fat lady, generously padded and swathed in lace curtains was our own Mrs. C. S. Mooney, the wild man from Borneo was very ferocious and captured at great expense and risk of human life. This part was successfully carried on by Emery Hyland. Arlo Vaughn disguised as a monkey amused the children and grown-ups as well. Thelma Carter and Ronald Neet lived up to the part of Maggie and Jiggs and the rolling pin was very much in evidence.

Impersonates Charley Chaplin

James Humphrey made an idea Charlie Chaplin. Miss Lena Renfro a clever director of the jazz orchestra composed of the Misses Lucile Walker, Ruby and Doris Hyland, a comic character, busy hunting her son, Hiram, who by-the-way she never did find was ably carried out by Mrs. B. B. Carter.

Ice cream, cake, sandwiches and home-made candies were sold by the ladies.

The young people enjoyed the two huge bonfires that were kept burning.

A great deal of credit is due those in charge and those who took part for the wonderful success of this undertaking.

DAILY MARKET REPORT

OREGON JOURNAL MARKET SERVICE

PORTLAND, Ore., June 27.—There is still a general scramble for mixed color eggs in the local territory with firm prices being offered generally. The advance of 2c in the selling price of all eggs by the association yesterday placed it slightly above the private firms, delivery charges considered, and the latter are expected to stiffen up their values somewhat in consequence.

There was no general change in buying prices here for the day, although here and there premiums of 1-2c were shown where a dealer had sold and had to secure supplies quickly.

BUTTER JUST ABOUT STEADY

Just about a steady tone is shown in the local butter market with a further loss of 1-2c a pound in the San Francisco price. No change was shown here for either cubes or prints.

SPRING DUCKS DRUG MARKET

With a liberal supply in sight and very little demand, there is a glut of spring duck offerings along the wholesale way. Sales are limited around 23@25c a pound for white stock weighing about four pounds. General poultry market good.

POTATO MARKET IS BUSTED

Badly breaking values are showing in the market for potatoes along Front street. Handlers of California stock are losing heavily with Garnets offered down to 4c and white stock as low as 3c a pound. Local stock in oversupply at the moment.

STRING BEAN PRICES LOWER

Front street offerings of string beans from The Dalles section showed a liberal gain for the day, sales being made from 9c to 10c for wax and 8c to 12c for green stock. Some locals arriving, too.

PEAS ARE MOVING IN CARLOADS

Another carload of peas is being loaded by the Gardeners' association for shipment to the East and additional lots are to follow with the new crop now coming on. Sales along the street firm at 10c pound for fancy offerings.

HELP FOR GIRLS WHO WORK

Mrs. Lodic Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Tyrone, Pa.—"A friend told my husband how Lydia E. Pinkham's Vegetable Compound had helped his wife, so my husband bought me a bottle because I was so run-down, had a nervous weakness, no strength in my body and pains in my left side so bad that I could hardly do my work. Before I was married I used to work in the factory, and I had pains just the same then as I have had since I have done my housework. I would not be without a bottle in the house now. It has stopped the pains all right and I have found out that it is a wonderful body builder, as it has made me well and strong. It is going to be the 'old reliable' with me hereafter, and I am always willing to tell other women how it has helped me. You can use this letter as you wish as I can honestly say that my words are true."—Mrs. M. LODIC, R.F.D. No. 4, Box 40, Tyrone, Pa.

Letters like this bring out the merit of Lydia E. Pinkham's Vegetable Compound. They tell of the relief from such pains and ailments after taking Lydia E. Pinkham's Vegetable Compound.
