865 Willamette Street

CAUGHT IN THE ROUNDS

Coffey Fined for Speeding—W. J. Coffey was fined \$15 in police court yesterday for speeding his car on the streets.

Dance Hall License Granted—A license was granted at the office of County Clerk Bryson yesterday for the Elks hall at Dayton.

Coghlan Issues His Car—Andy Coghlan reported to the police yesterday that his Studebaker car, Oregon license number 131,990, has been stolen.

Johns Surveying Staff—Roy Bryson, son of Mr. and Mrs. R. S. Bryson, has joined the staff of the county surveyor's office during the summer vacation period.

Miss Mildred Martin Here—Miss Mildred Martin, of Albany, is spending the week at 341 Sixteenth street east as the guest of her mother, Leonard Martin, of the Bell Stage company.

Boys' Coast Ranch—Mrs. N. D. Dunsen has bought the 160-acre ranch of Herman Wyman on the Rivers and will take possession at once. The Melvin Hansen company, realtors, handled the deal.

Federal Auditor Is Here—F. R. Reynolds, of San Francisco, traveling auditor for the Pacific division of the United States internal revenue department, is here to inspect the records of the Eugene office. Twice each year the traveling auditor visits the local office.

Quarantine Is Lifted—The quarantine which has been in effect at the Elms home at 540 Adams street was lifted yesterday.

Here from Prineville—Mrs. F. M. Campbell, of Prineville, Oregon, is here for a week as the guest of her sister, Mrs. E. L. Scherwing, of this city.

Couple Had No Children—J. O. Cobb and his former wife had no children. In the proceedings of Mrs. Cobb's divorce suit it was stated that she was given the care and custody of the minor child.

Portland Visitors Leave—Mrs. E. M. Golder and son, Robert, of Portland, who have been the guests here for the past few days at the home of Mr. and Mrs. Robert McCullough, have left for their home.

Police Asked to Look Out For Auto Thieves—Chief of Police J. A. S. Calkins, at Yreka, Cal., asking him to look out for Bob Campbell and wife, who are accused of stealing an Overland automobile there. Campbell is described as being aged 35, weight 160 pounds, and medium dark complexion.

Contractor Granted Extension of Time—The county court yesterday granted an extension of time to the J. R. Hootman company for completion of the Conrad hill section of the Eugene-Lorane highway. The contractor was allowed until August 1 to finish the job as there has been adverse weather conditions to contend with.

Road Recommended Established—George H. Waggoner, deputy county surveyor, yesterday filed a report on the C. A. Marlow road, southwest of the city. He recommended its establishment as it will give an outlet to a number of settlers to the Eugene-Lorane highway. The surveyor reported that no property will be damaged on account of opening the road.

Dr. Leonard Weds—Dr. H. B. Leonard, formerly of the mathematics department of the University of Oregon, and for a number of years head of the same department at the University of Arizona, at Tucson, was married June 19 to Miss Ida Reid, also a member of the faculty of that university. They are expected to arrive here in a few days.

Leaves for Educational Meeting—Charles A. Howard, superintendent of the schools at Marshfield and former principal of the Eugene high school, left here yesterday for Oakland, California, where he will attend the annual session of the National Educational association. Mrs. Howard left her husband here and has gone to spend the summer in Washington.

Return from Idaho—C. F. Stamper, local realtor; Nate Hill and B. A. Reetz have returned after a business trip of a week in Idaho. They made the trip by motor and report many of the Idaho roads almost impassable for motorists. C. F. Stamper also was a member of the party but will remain in Idaho for the next few weeks where he has farming interests.

Company C Is Color Company—Sergeant Ernest Evans of Company C, who is at Camp Lewis, writes his father, John T. Evans, that his company has been made the color company of the regiment and that the Oregon companies are the best drilled in the entire organization. He said that the boys are receiving more and better military training than at any previous camp.

Returns from Spokane—Miss Bertha Comings, daughter of Mr. and Mrs. F. W. Comings, and a university graduate, has returned from Spokane, Wash., where she has been teaching in the North Central high school during the past school year. Miss Comings will spend the summer here with her parents. The North Central

plexion. His wife is 35 and weighs 200 says the sheriff. They have a boy and a girl and a black shepherd pup with them.

Admitted to Mercy Hospital—Leland Neeley, of Mapleton, and Mrs. Ida Neeley, of Eugene, were admitted to Mercy hospital yesterday for medical treatment.

Leaves for California—Miss Brownell Frazier, of this city, has left for Berkeley, California, where she plans to study art during the summer session of the University of California.

Local Physicians at Meeting—C. W. Robbins and E. L. Zimmerman, physicians of this city, are at San Francisco attending the annual meeting of the American Medical association.

County Poor Farm Patient Sent to Asylum—John Krumm, an inmate of the county poor farm, yesterday was committed to the state insane asylum after an examination before County Judge C. P. Barnard.

Mrs. Lennon and Son Leaves—Mrs. Edward Lennon, of Lake Geneva, Wis., after a visit here with the Marsh and Svarverud families, left yesterday for her home accompanied by her son, Roy. They will drive the entire distance.

Returns from Photographer's Session—Miss E. McKune, local photographer, has returned from Salem after attending a meeting of the Willamette Valley Associated Photographers. The next meeting will be held July 21 at Portland.

Hughes Working for Oil Company—J. H. Hughes, of this city, who is with the Guaranty Oil company which is now sinking a well south of the Masado cemetery, was at Vaughan station, on the Coos Bay branch, yesterday in the interests of the company.

Standard Oil Manager to Leave—C. S. Lincoln, local manager of the Standard Oil company, has been promoted to the Los Angeles headquarters of the concern and will soon leave for the south. Mr. Lincoln has been in charge at the Eugene office for the past year.

Power Plant Is Installed—The new electric power plant at the Foley springs resort has been completed and is expected to be in operation this week. The new plant will provide current for about 100 light bulbs and other electrical appliances at the springs.

Parker Funeral to Be Held Today—The funeral of Robert Parker, little son of Rev. Mr. Parker of Creswell, will be held from the Methodist church at Creswell this morning at 10:30 o'clock. Dr. R. A. Danford will officiate. Interment will be at the Creswell cemetery.

Eugene People Go to Portland—W. H. McKenzie, linotype operator for the Morning Register, and his family expect to motor to Portland today to be gone for a few days. Mr. McKenzie's mother is coming out from the East and will accompany them home from Portland.

Radio Set at Summer Home—Dr. W. H. Neal, who is spending a month at his summer home at Westlake, is having a new radio set installed and plans to enjoy all the amusement advantages of city life while on his outing. The Neal family expect to return to their home here about the middle of July.

Britton Joins Ford Staff at Portland—E. A. Britton, former physical director of the Eugene Y. M. C. A. here, has joined the staff of the recently opened Ford motor car assembling plant at Portland. Britton spent the past school year at Marshfield where he was in charge of athletics at the Marshfield high school.

Far West President Is Here—A. C. Butcher, president of the Far West Manufacturing company, which will soon move to this city from Albany, is a local business visitor in conference with the directors and stock holders of the concern in this city. Mr. Butcher plans today to inspect the tentative site for the new plant on the Coos bay line.

Returning from South—Mr. and Mrs. E. C. Simmons and Mr. and Mrs. E. L. Wing left San Diego yesterday by way of Eugene. Mr. and Mrs. Simmons have been in Southern California for the past week and they were met there by Mr. and Mrs. Wing who are returning from an eastern trip of three weeks. Mr. Wing visited the plant of the Ford Motor company at Detroit.

Mathews' Barn Again on Fire—The fire department was called to the Mathews' sand and gravel plant at the foot of Eighth avenue east about 4:30 o'clock yesterday afternoon on account of a small blaze on the roof of the barn on the premises. There was no damage. This is the third time in that many months the department has been called to the plant on account of a blaze on the barn roof. The fire originated each time from sparks from the smoke stack on a locomotive used at the plant.

Data on National Parks Desired—George Melvin Miller has written to Stephen T. Mather, director of national parks, requesting information on the national playgrounds and other national monuments. Mr. Miller is urging that a national park or monument be established on the Oregon coast between Florence and Waldport. The plan has been discussed with E. J. Adams, secretary to Senator Stanford. A herd of about 200 Elk now roaming the government lands in the coast district would be an added attraction for a national park, Mr. Miller believes.

College Crew to Entertain—Members of the College Crew Community club will host at an entertainment and party to be held this evening at the club house. A program of songs and music and stunts has been arranged in addition to the serving of refreshments. Mrs. A. E. Roberts will entertain with several piano selections. Postmaster Dar-

High School at Spokane has a registration of about 2500 students, according to Miss Comings.

Here from Cottage Grove—Mrs. Mabel Merriman and Mrs. Lillian Eakin were among visitors here yesterday from Cottage Grove.

Recovering from Typhoid Fever—Marjorie Lawson, daughter of Mrs. J. Lawson of 988 Third avenue west, is slowly recovering from an attack of typhoid fever.

Local Property Is Purchased—John Newman has purchased the two lots and the home at Eighth avenue west and Adams street from M. C. Harris. Mr. Newman has been an occupant of the property for the past few years.

Marriage Licenses Issued—Marriage licenses were issued at the office of County Clerk Bryson yesterday to the following: William Harold Jurtstrom, of Marshfield, and Nina May McIntyre, of Eugene; Ernest Pettit and Lillian Burleson, both of Eugene.

high school at Spokane has a registration of about 2500 students, according to Miss Comings.

Marriage Licenses Issued—Marriage licenses were issued at the office of County Clerk Bryson yesterday to the following: William Harold Jurtstrom, of Marshfield, and Nina May McIntyre, of Eugene; Ernest Pettit and Lillian Burleson, both of Eugene.

Final Proof Is Filed—William J. Thomas yesterday filed final proof on a homestead of 40 acres in the vicinity of Vida. Thomas appeared before United States Commissioner E. O. Imann. His witnesses were Carl Swanson and Arnette Davis.

Planning Motor Trip—Mr. and Mrs. J. H. Coo with their daughters, Meltrude and Radie, will leave today on a motor trip of about two weeks in Washington and British Columbia. Mr. Coo, while in Victoria will attend a convention of stationers July 1 to 3.

Florence Reduces Its Size—At a recent election the little city of Florence, near the mouth of the Stikine river, voted to reduce its size. When the city was laid out 25 years or more ago the limits included several thousand acres of sand hills that have never been built up.

Ambulance Makes Fast Trip—A record trip for the Dodge ambulance of this city is the claim of Harry Mitchell of the U. of O. taxi who reports that a time of 35 minutes from the Coos bay hall to Divide was recorded this week in response to an accident call there.

High School Board Is Elected—At the annual election in union high school district No. 5 at Waterville, Mrs. J. W. Fountain was elected clerk and the directors chosen are L. Scott, William E. Grimes, J. W. Fountain, Marion Chase and Matt Emmerich. The last named is chairman of the board.

Revenue Inspector at Riddle—Hugh H. Earl, internal revenue inspector for this district with headquarters here, left yesterday for Riddle. W. W. Aillingham and J. L. Rockweek, deputies of the Eugene office, are expected to return today from the Coos bay district where they have been for the past few weeks.

Campa Shoppe Plans Improvement—Several improvements in the Campa shoppe are planned for the coming summer, according to Herschel Taylor, proprietor. The barquet hall will be increased from the present space of 40 by 60 feet to 80 by 60 feet. A seating capacity of 500 will be provided under the new arrangement.

Merchants Asked to Put Boxes on Walks—The merchants on Willamette street are asked to place boxes on the edge of the sidewalks in front of their stores, so that the planks to be furnished by the American Legion committee may be placed on them, thus forming benches for the people who want to see the Fourth of July parade.

Many Will Go to Turner—A large number of members of the Christian church here are planning to attend the annual convention at Turner beginning Saturday. Dr. E. V. Stivers, local pastor, is president of the state board. Dr. C. S. Stinson, president of the Eugene Bible university, will conduct an educational session at the convention.

Far West President Is Here—A. C. Butcher, president of the Far West Manufacturing company, which will soon move to this city from Albany, is a local business visitor in conference with the directors and stock holders of the concern in this city. Mr. Butcher plans today to inspect the tentative site for the new plant on the Coos bay line.
