Franchise Holders Were Selected Not Solicited!

A chain is as strong as its weakest link, and every theatre holding a franchise is a link in the First National chain to success.

That's why the theatres to receive a franchise were selected and not solicited.

So that the public might receive the products of First National's leadership in film production, through the medium of the country's best theatres.

TRACTOR TO BE BOUGHT

SPRINGFIELD GETS MACHINE FOR WORK ON STREETS

New Traffic Ordinance Will Be Framed Is Action of Meeting of City Council

(Register Lane County Special)

SPRINGFIELD, Ore., Oct. 9.—The city council of Springfield will purchase a tractor for use on the streets as soon as funds are available, according to action taken by the council at its regular meeting last night at the city hall. Members present were Mayor E. C. Eggiman, William Long, L. J. Lepley, R. E. Meshier, E. J. McKlin and City Recorder J. W. Coffin.

It was also decided at this time to instruct the recorder to draw up an ordinance to conform to the state traffic laws in regard to regulating traffic in the city. This motion will cover section one of article 16.

Harry Chase appeared before the council and spoke in regard to sewer work on Mill street. No action was taken on this matter. Several residents living between D and E streets asked that water be furnished to flush the sewer near there and the matter was referred to the Mountain States Power company. The usual bills were also allowed at this time by the council.

135 NOW IN HIGH SCHOOL

ATTENDANCE AT SPRINGFIELD SHOWS BIG INCREASE

Twenty More Than This Time Last Year Register—Grounds to Be Beautified

(Register Lane County Special)

SPRINGFIELD, Ore., Oct. 9.—The attendance at the city high school here is now 135, acording to J. E. Torbett, principal. This is 20 more than reported at this time last year, and it is expected that 150 or more will be registered soon. Hop-picking is about over, and several others are contemplating registering, it is said.

A new drinking fountain is being installed on the southeast corner of the school grounds, and two faucets for the watering of the grounds are being put in. Professor F. M. Roth has donated 10 slips of white American Beauty roses for a rose hedge, and it is hoped that other residents will also bring in other varieties so that the school grounds may be further beautified by growing plants. The building here is said to be one of the most beautiful in the state, and is highly desirable that the grounds be in keeping.

Fire prevention week is being observed at the high school this week, and during the drill today the building was emptied and the fire hose connected in less than two minutes. It is hoped to reduce this to less than 60 seconds by constant practice.

Road Is Improved

(Register Lane County Special)

SPRINGFIELD, Ore., Oct. 9.—The city of Springfield will henceforth maintain the stretch of road between the county bridge over the Willamette and the Pacific highway, according to action taken by the county commissioners. J. W. Coffin, city recorder of Springfield, yesterday went before the commissioners and upon his presentation of the plan, they moved to accept the offer of this city, and agreed to pay for the work. This work will be done every time Second street is improved, and this will be welcomed by motorists, as the road has always been rough in the past. A scraper was used yesterday, and the road is quite passable now. Friends of Mr. Coffin have expressed appreciation for his act in obtaining this much-needed work.

SPRINGFIELD NEWS NOTES

(Register Lane County Special)

The Oldest Medicine in the World is Oil of the Olive and the Juice of the Grape—Portolive

The ancient Greeks who developed their bodies to almost perfection, used practically no other method of keeping in perfect health. Even to this day all of the Latin people, such as the French, Italians and Spanish, follow this method, and such modern ailments as dyspepsia, indigestion, nervousness and constipation are unknown among them.

Portolive is just a mixture of Port Wine, nut flavored olive oil and other natural body builders. — Carrolls' Pharmacy. (4)
