NEW METHOD HEALS RUPTURE

Kansas City Doctor's Discovery Makes Truss or Operation Unnecessary

Kansas City, Mo.—(Special.)—A new discovery which, experts agree, has no equal for curative effects in all rupture cases, is the latest accomplishment of Dr. Andrews, the well-known Hernia specialist of this city. The extraordinary success of this new method proves that it holds and heals a rupture. It weighs only a few ounces. Has no hard gouging pads, no elastic belt, no leg straps, no steel bands, and is as comfortable as a light garment. It has enabled hundreds of persons to throw away trusses and declare their rupture absolutely healed. Many of these had serious double ruptures, from which they had suffered for years. It is Dr. Andrews' ambition to have every ruptured person enjoy the quick relief, comfort and healing power of his discovery, and he will send it on free trial to any reader of the Register who writes him at his office, 5391 Koch bldg., Kansas City, Mo. He wants one person in each neighborhood to whom he can refer. If you wish to be rid of rupture for good, without an operation, take advantage of the doctor's free offer. Write him today.

Yankee manager. "I thought Pennock could stop the Giants. His curve was breaking in great style all through the game and he had great control. I'm tickled to death that the Babe has got started. He'll be as hard to stop now as a snowstorm in January. I expect Sam Jones to be in tomorrow and if he's right, we'll add another game to our credit. If that's a prediction, make the most of it."

"Pennock pitched a nice game," admitted John J. McGraw, manager of the Giants, "and he was given good support by the other members of the team. Dugan's work at third base was the fielding feature of the game. The Giants, although they lost today, will win the series."

FOOTBALL GAME IS TODAY

Vitus, ends; Jacobs and Schmidt, tackles; E. Vitus and Gallagher, guards; Schnorenberg, center; Franwa, fullback; Berger and Colbert, halves; Coghlan, quarterback. CHICAGO CUBS MAKE IT TWO IN ROW OVER SOX

Second Game In City Series Won By Four to Three

CHICAGO, Oct. 11.—The National leaguers made it two straight over the Americans in the Chicago city series today when the Cubs won the second game of the set from the Sox, four to three.

Vic Aldrich pitched tight ball and was afforded brilliant support for seven innings but after yielding two runs in the eighth and passing Mostil, first up in the ninth, he was removed in favor of Fussell. Hollis Thurston tolled the route for the Sox and was hit hard in spots. The Cubs scored in the first inning, moving over a single tally on Grantham's double, an infield out and a single by Friberg.

In the fourth, the Nationals added two more markers. Hartnett singled with one out, took second on a wild pitch by Thurston and came home when Aldridge singled to center. Stutz got a two-bagger past McClellan, putting Aldridge on third and the Cub pitcher scored on Adams' sacrifice fly to Schalk.

Consecutive singles by Aldridge and Stutz with two out, and Collins' fumble of Adams' grounder gave the Cubs their fourth run in the sixth.

It was in the seventh inning that the American leaguers made a comeback. McClellan first up doubled and came home on infield singles by Cronce and Thurston. Fighting hard, the Sox managed to pull up to within one run of the Cubs with a two-run attack in the eighth. Collins' single, a triple by Barrett and Kamm's two-bagger sent the runs over.

Catcher Ray Schalk of the Americans was chased from the game in the second inning for throwing a hard ball at umpire Grimesy in protesting a close decision in which Schalk was called out at second.

BABE RUTH COMES INTO OWN IN WORLD'S SERIES

His Record Made In Thursday's Game Stands Alone

(By The Associated Press)
NEW YORK, Oct. 11.—When the last baseball is tossed and the tarpaulin is pulled over the diamond to cover it for all time, and when the records of the game are compiled with finality, in all probability one mark will stand out unequalled at the top of the list. Alongside the record will be the name of George Herman Ruth. And, if the compiler is human he'll all in parentheses, "Babe."

Ruth's diamond history is too well known to be detailed again. Every one knows that he first gained fame as a pitcher when he went to the Boston American league club from the Baltimore Orioles and that he first became celebrated as a world's series pitcher. Noting as were his achievements on the mound they did not compare with the prodigious batting that he accomplished when he came to the New York Yankees as a centerfielder and slugger extraordinary.

Holds Home Run Record
He holds the record for home run hitting. But though he had participated in numerous world series this is his third since he joined the Yankees. And today he came into his own, his two home runs being the margin by which his team triumphed over the Giants and evened the series.

The victory today meant much for his teammates. It restored their confidence with the tremendous psychological advantage that entails and it enables them to go to sleep tonight in the knowledge that when they next take the field they at least are on even terms, and, according to some critics, better than that since the Giants have used up four pitchers.

Promoter Shanklin further stated that he had telegrams in
