(By The Associated Press)
NEW YORK, Oct. 16.—Baseball has emerged from the 1923 world's series which the American New York team won yesterday, stronger in its hold on popularity than ever before and unweakened by unfortunate incidents of the last few years, John A. Heydler, president

of the National league, asserted in a statement tonight. Frankie Frisch, Giant second baseman, by his consistent hitting, during base running and sensationally flawless fielding, "came out of the series one of the greatest, if not the greatest present day all-around player of the game," Mr. Heydler said, and John J. McGraw, he added, the manager, came out of the series a bigger man than ever in the history of his career. And his "sportsmanship was splendid."

INTEREST IN PAPYRUS-ZEV RACE AT HIGH PITCH

Impressive Trial By British Horse Lends Zest

STEVE DONOGHUE TO RIDE

Maryland State Fair Association Offers \$50,000 for Special Race Between Whiner and My Own

(By The Associated Press)
NEW YORK, Oct. 16.—Interest in the coming \$100,000 race for international turf honors between Zev, American 3-year-old champion, and Papyrus, English derby winner, was quickened today by a series of developments. They included another impressive trial by Papyrus, the arrival of Steve Donoghue, famous English jockey who will pilot the derby winner, and an offer by the Maryland State Fair association of \$50,000 for a special race on Thursday of next week between the winner of the international contest and My Own, rival of Zev for American honors this season.

Papyrus galloped an impressive eleven furlongs in 2:24 flat today at Belmont park, the scene of the international race. The time was not especially noticeable, according to observers, but the derby winner was under stout restraint all the way and finished strongly, in contrast to the rather tired appearance of Zev after his stiff test several days ago.

Donoghue, who arrived late today on the Olympic, probably will have the leg up on Papyrus in another exercise tomorrow but no attempt at a time trial is planned by Jarvis.

Donoghue, who celebrated his 39th birthday aboard ship yesterday, declared his confidence in Papyrus and in his ability to pilot the derby winner home in front of Zev. The little jockey, a national idol to British turf followers, has won five of the classics at Epsom Downs in his career, winning his third straight on Papyrus this season.

Brown Colt to Tryout
The keynote of Zev's preparation for the race is scheduled to take place tomorrow at Belmont park when the brown colt will be asked to go the full distance of a mile and a half. Observers expect this trial to give a conclusive line on the condition of the American horse, which has been a subject of considerable debate since it lost part of a frog on winning the Lawrence Realization several weeks ago.

The good workouts of the English horse, on the other hand, have tended to shorten the odds which at first were heavily in favor of the American representative. Wagers which have been made on a 3 to 1 basis for several days dropped today to a level of 2 to 1, it was reported.

A distinguished gathering will witness the race on Saturday, making the spectacle one of the most notable in international turf history.

(By The Associated Press)
LONDON, Oct. 16.—Interest here in the \$100,000 Papyrus-Zev race at Belmont park next Saturday

day could scarcely be termed intense. Hardly anyone seems to care a great deal which horse wins and there has been very little betting. Since the race was postponed there has been a tendency here to discourage it. Some of the big sportsmen contend that Papyrus was not up to the highest standard of derby winners in the past and that he won from a field below the average in strength and speed. These conservative souls have argued all along that the Belmont course would not be a fair test since the voyage would affect Papyrus and that the whole thing would merely give the Americans an opportunity to do a little boasting.

Zev Ready to Meet My Own
JAMAICA, N. Y., Oct. 16.—Zev is ready to meet My Own in a special \$50,000 race at Laurel, October 25, if he beats Papyrus in the \$100,000 international contest at Belmont park next Saturday while the English derby winner, victorious or defeated, will sail back to England next Tuesday unless ordered otherwise by the owner, Ben Irish.

Sam Hildreth, trainer of the Rancocas Stable, in which Zev is included, this afternoon accepted the chance to meet Admiral Grayson's horse upon receipt of a telegram from J. Pauline Lowe Jenkins, president of the Maryland State Fair association.

Basil Jarvis, trainer of Papyrus, said he had completed plans to ship his steed back home next week and would do so unless otherwise directed by the owner.

WORLD SERIES MELON IS CUT FOR GIANT PLAYERS

Each Eligible McGraw Man Received \$4112.88

NEW YORK, Oct. 16.—The sum of \$110,634.91 was distributed today among New York Giants players and attendants the losers' end from the world's series receipts. Each eligible player received a check for \$4112.88. Manager McGraw and his associate, Hughie Jennings, and 24 players were the ones to receive the money. The group, who joined the club late, ground keepers, trainers and assistant secretaries received checks for sums ranging from \$250 to \$1500.

Baseball Commissioner Landis, who announced the award, said the world champion Yankees had not yet submitted their list of those to receive checks.

There was a difference of \$2,047.58 between the individual shares of the winners and the losers.

Yank Players Not Paid
The Yankee players did not receive their world's series checks today but the club gave them their regular salaries.

The players who were the guests of Owner Ruppert, spent this afternoon and evening celebrating their long-deferred triumph over the McGraw clan.

Colonel Ruppert was enthusiastic in his praise of the manager, Huggins, and the players. It was reported and will demonstrate his appreciation for their work during the season and throughout the series by liberally increasing the salaries of all his players.

SOX CHICAGO CHAMPIONS AMERICANS WIN OVER CUBS FOUR GAMES TO TWO

(By The Associated Press)
CHICAGO, Oct. 16.—The White Sox again are Chicago city champions. Beating the National league Cubs 4 to 3 in ten innings today the Americans won the series four games to two. Two fumbles and a wild throw by George Grantham gave the Sox the championship. The first fumble came in the ninth inning in which the Sox scored twice and knocked the count, while the second fumble and wild throw came in the tenth and allowed the Sox winning run to score. It was the eighth city championship the Sox have won, who earned the title three times. The National leaguers won their title last year, the first time in 13 years.

Kaufmann rolled the rout in the final game for the Cubs.

Faber, Lyons and Leverette pitched for the Sox.

The score:
R. H. E.
Cubs 3 9 6
White Sox 4 9 0

RUTH TAKES INSURANCE SIGNS FOR \$50,000 POLICY PAYABLE TO FAMILY

NEW YORK, Oct. 16.—Babe Ruth today took out a \$50,000 life insurance policy with his greatest American league rival for battling honors, Harry Heilmann of the Detroit Tigers, who is an insurance agent during the off season.

Heilmann witnessed the triumph of the Yankees in the last game of the world's series with the Giants yesterday and talked business with the Babe today noon after the big slugger received his part of the winner's share in the series. The policy is made out in favor of Mrs. Ruth and Baby Dorothy. Heilmann and Ruth are the keenest of rivals on the diamond, the former winning out by a narrow margin this year in the race for hitting supremacy, but also warm friends.

DUNDEE TO DEFEND TITLE CHAMPION IS MATCHED TO FIGHT HARRY MASON

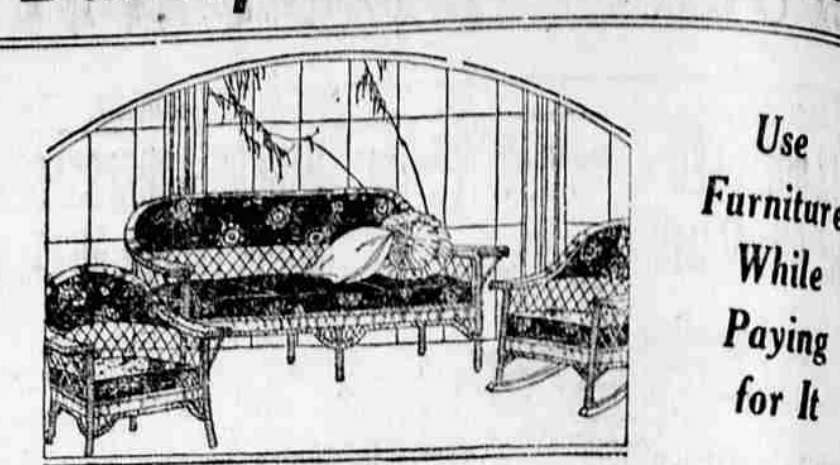

NEW YORK, Oct. 16.—Johnny Dundee, featherweight champion of the world, has been matched to fight Harry Mason, English lightweight champion, in London next January, it was announced tonight by Jimmy Johnston, Dundee's manager.

Johnston said that there was also a possibility of arranging in France a return match between Dundee and Eugene Criqui, French boxer, who won the featherweight crown here this season from Johnny Kilbane, only to lose it two months later to the New York Italian.

Dundee left today for Hot Springs, Ark., where he will train

CALL OF THE WILD LURES BABE RUTH, KING OF SWAT

Many of His Yanks Mates and Some Giants to Revel

(By The Associated Press)
NEW YORK, Oct. 16.—The call of the wild has reached the ears of Babe Ruth, many of his Yankee team mates and an equal number of his erstwhile Giant rivals now that the greatest world's series has become a chapter in baseball history.

Miramachi, New Brunswick, where the big game differs considerably from the big game of a world's series, is to become Babe's stamping grounds within the next week, according to his present plans. There, armed with a rifle, instead of his trusty bat, and accompanied by Hughie Jennings, the Giants' field manager, who for the time will change his famous "see-yah" into a moose call, the Bambino will endeavor to collect trophies for the already well-filled den of his New England country home.

Texas is the goal of Ross Young and Frank Snyder, Giant outfielder and catcher. They leave tomorrow morning for the southwest and a big game hunting trip that will continue for a month or more. The Maine woods, the Canadian Northwest and other famous hunting grounds of the North American continent, each will draw its share of ball players.

Virgil Barnes, Giant pitcher, was so anxious to forget baseball that he left for the Middle West early today without collecting \$4112.88 check made out in his name as a regular member of the losing team, and Hank Gowdy was on the put of deserting New York for Ohio, but decided to wait until tomorrow when the checks will be issued.

GEORGIAN HERO TO STAY GENERAL OGLETHORPE'S REMAINS TO REMAIN OVERSEAS

(By The Associated Press)
GRAHAM, England, Oct. 16.—General Oglethorpe, founder of the state of Georgia, like the Pocahontas and his more distant and remote precursors Tutenkamen, is to remain in his original burying place. Yielding to British public opinion which had almost reached the point of unanimity, Dr. Thorndwell Jacobs, president of Oxford university today abandoned his project to transport the Georgian hero's ashes to America. The hue and cry raised through-

CROP FIGURES RESENTED COTTON ASSOCIATION RAIPS AGRICULTURAL REPORT

COLUMBIA, S. C., Oct. 16.—Placing itself on record as disapproving the United States department of agriculture in which figures are given to the public purporting to show the estimated acreages to be planted to cotton, as based on reports of "intentions" of farmers to plant the American Cotton association, in its fifth annual convention today, passed a resolution at its closing session urging the department of agriculture to tick to facts.

"We feel that the cotton acreage is a matter of too significant and serious concern to the growers and the cotton trade generally," the resolution stated, "for estimates on acreages planted to be hazarded by guess work."
