The number present, 2244 was beyond our fondest hope, making a record for the city of Eugene as well as the state of Oregon. Now the question is, "Can we come back?" We look for a great day Sunday. We urge the members and friends as well as new members to come Sunday. Many enrolled as new members of the school last Sunday. Sunday evening this church and many of the churches of Eugene will consider the matter of opening the places of amusement in this city. Practically all the churches of the city are united on this matter and it will be demonstrated Sunday evening. Every church in the city should be filled to capacity, just to demonstrate the feeling of the citizens in this town on the matter of keeping the town clean. Dr. Stivers speaks on the subject,
