FOR SALE—Used Autos

"ASK THE ENVELOPE" AND KNOW THE TRUTH ABOUT GOODPASTURE'S USED CARS It's quite another to fulfill that claim. Here's a claim that we make—we claim that the dealer who handles the most standard and popular new car has the best selected Used Cars at the lowest asking prices. We claim that because of Buick's accepted supremacy and demand, as evidenced by being selected regularly as first choice location at the New York Automobile show, Buick's demand brings to us the choice of Used Cars at prices based on their "Service Merit." We claim that this advantage is your advantage—your opportunity of getting the biggest possible dollar value.
