## Moline Manure Spreader

Offered at  
**EXTRA SPECIAL PRICES**  
This Week

The chief feature of the Moline Spreader is that the spread is wider than the box, and being equipped with a spiral beater it pulverizes the manure thoroughly as it spreads it in a wide, even sheet.

The frame is built of steel, which makes it light and strong. It can be pulled by two horses and is operated by one lever, thereby not requiring an experienced man to operate it.

## VARSITY VICTORY OVER WHITMAN ENCOURAGING

Oregon Now Rated as One of Best in Conference

### BACKFIELD MEN PRAISED Idaho to Give University Squad Real Competition Here Next Saturday

Oregon's clean cut defeat of the speedy, aggressive Whitman college eleven Friday by the score of 21 to 0 has put the varsity in the leading class of teams in the Northwest conference and has caused the prediction that Idaho will also become a victim of the powerful Oregon machine next Saturday.

Although Oregon's line is admittedly green and does not as yet present a finished and smooth attack and a stiff defense, the men forming it are rated as real football players, and after another game, they will be well up in the veteran class. The varsity backfield, however, has come in for a lot of unreserved commendation. It is without doubt the brainiest backfield put out by the university in a long time, and the men forming it seem inspired with more than the usual amount of fight and spirit. Under the direction of Chapman, who is one of the hardest hitting backs on the coast, or the wily Moe Sax, who can twist and squirm further down the field than any man anywhere near his size, the powerful machine goes through the opposing line with deadly consistency.

Chapman, playing quarter, was the high man in yardage gains at the contest Friday, making 86 yards. Latham, playing for the first time for several days, made 65, in spite of a handicap from some knee. Latham, in addition to being speedy, is taller than any other man on the team and he is also valuable when an aerial attack is launched. Sax wriggled through for 50 yards, while Petersen went through for 52. This combination co-ordinates perfectly on every play and is admirably adapted to the style of straight football so far used this year.

#### Fitzke Great Punter

Latham got away for a 37 1/2 average for his punts at Bendon, but here he will have some real competition Saturday, for Fitzke, star half of Idaho, averaged 42 yards in the game Friday against W. S. C. Idaho also has a smashing backfield, backed up by a hard working line.

The battle here next Saturday will be one of the classics of the conference, according to followers of the game. In the first place, both Idaho and Oregon elevens are inspired with the fighting spirit that makes football the great game that it is, and in the second, the two teams are about as evenly matched as any two on the coast. Davis at quarter for Idaho, is another field general like Chapman, while the two teams line up much the same in individual ability.

#### Heavy Schedule Faced

The varsity faces a heavy three week ahead, for the Saturday following the Idaho contest, they will meet the W. S. C. squad at Pullman. A week later one of the biggest games of the season, that with Stanford, will be played in Portland. Two weeks rest will intervene before the next battle, that of homecoming week with O. A. C. here. Then the Saturday following the Lemon Yellow men will go to Seattle for their last big fight of the year, that with Washington. No predictions have been made as yet, but the Oregon elevens are much more optimistic this year than last, and hopes at least are running high.

#### PAPYRUS NO MATCH FOR AMERICAN ZEV

(Continued from Page One)

had given his best and was beaten. Round into the line, straight they galloped, sending up sprays of mud with Zev now in entire command. Bending low, Sande seemed to whisper something to his great colt. Gradually Zev widened the gap. He fairly ate up space with long sweeping strides, and as Papyrus fell slowly then rapidly back, a mighty cheer went up. The race was over before the pair had reached the mile and an eighth post but Zev came on, magnificently conquering here with every forward leap. Four lengths were added to his lead in the last eighth. Papyrus was sent down to the most crushing defeat of his career.

#### Time Good on Heavy Track

The time of the race was two minutes 35 2-3 seconds, not remarkable, but it was good in the face of existing track conditions. The fractional time showed that Zev displayed his greatest speed over the first five furlongs of the race but by comparison with Papyrus, the Ranococas colt seemed to travel swiftly in the final stages of the encounter. Zev, however, maintained a remarkably smooth, even pace over the whole route, always keeping enough in reserve to withstand the invader's challenges. Fractional times by eighths follow: 12; 25 4-5; 38; 50 2-3; 1:02 2-5; 1:15; 1:27 4-5; 1:40 4-5; 1:54; 2:07 3-5; 2:21 2-5; 2:35 2-5. The race ranks among the greatest turf spectacles of all time, witnessed by a colorful notable gathering from all parts of the United States as well as many parts of the world.

Numbered in the gathering were men and women prominent in all walks of life and while the gathering as a whole took Zev's victory with natural satisfaction the invader was not lacking in supporting sentiment.

#### HILDRETH PROUD TRAINER Declares His Nifty Colt Never Won an Easter Race

(By The Associated Press) BELMONT PARK RACE COURSE, NEW YORK, Oct. 20.—Samuel C. Hildreth, trainer of Zev declared his colt never had won a big race easier than that with Papyrus, the English champion today.

"I expected a hard fight all the way. I supposed that Papyrus was going to hang on until the last quarter and then open up. Zev was never better. He ran a great race and I am proud of him. I think he can beat any three-year-

old in America over any kind of a track." Hildreth, Papyrus' trainer, was sorely disappointed at the showing of his colt. While paying tribute to Zev, which he called a "wonder horse," Hildreth thought that the English colt might have done better on a faster track.

Says Zev Faster Horse Jockey Steve Donoghue, who had the mount on Papyrus, declared that Zev was the better and the faster horse.

"Sande and Zev set a pace that was too much. I tried to move Papyrus up after we had gone half a mile, but he couldn't make it. When we turned into the stretch I got everything that Papyrus had but Zev moved faster, too, and left us. Papyrus ran well enough but he didn't have the speed to match Zev."

Earl Sande, smiling through the mud splashes thought it "just a race."

"I just let Zev have his head and sat pretty," he said. "In the stretch I asked for a little more and Zev gave it. We took it easy all the way. I was rather surprised that he won so easily. Papyrus stuck right at our heels for a mile and I thought sure he was going to make us run some in the stretch. But he couldn't stick when Zev started going."

#### Namesake of Col. Zeverry

MUSKOGEE, Okla., Oct. 20.—Zev, idol of the American turf, is the namesake of Colonel J. W. Zeverry, for many years a resident of this city and a close friend of Harry F. Sinclair, owner of the wonder horse. Colonel Zeverry was a railroad promoter and oil operator when he lived here. He was associated with Sinclair in the Teapot Dome development and it was while they were in Wyoming that Sinclair told Colonel Zeverry that he intended to name his most promising colt after his friend.

#### Gloom Felt in London

(By The Associated Press) LONDON, Oct. 20.—The news of the defeat of Papyrus at Belmont park by the American champion three-year-old Zev, was received in London with surprise and depression. A few hours prior to the race, reports from New York indicated that the British colt ruled favorite, and the British public, which had been somewhat apathetic over the contest suddenly began backing Papyrus heavily. Interest, therefore, in British sporting circles, became more pronounced as the evening wore on and the one topic among the theatre and restaurant crowds was the outcome of the great international turf contest.

## EUGENE HIGH DEFEATS COTTAGE GROVE, 18-0

Two Touchdowns and Two Field Goals Made

Eugene high school won a fast game of football from Cottage Grove high school on the latter's grounds yesterday afternoon by the score of 18 to 0. Two touchdowns and two field goals were registered by the Eugeneians. Cottage Grove came mighty near scoring at one time, getting the ball within a foot of Eugene's goal, but the line held like a wall at the critical moment and Cottage Grove was held for down.

The Eugene team as a whole played good ball, and did a very good work in the line and then there was some rotten work in the line, he declared. Eugene got most of the breaks of the game, being extremely lucky in this respect.

Lueky, Colman and Babb were the outstanding stars for Eugene but every man on the team did good work, said the coach. A large number of Eugene high school students drove to the game and they seemed to outnumber the rooters for the home team. Eugene goes to Albany next Saturday to play the high school team of that city.

## IOWA BOWS TO ILLINOIS

BRITTON'S TOE DEFEATS HAWKEYES NINE TO SIX

IOWA CITY, Ia., Oct. 20.—Iowa lost its first game in twenty-two starts today when Illinois, through a fifty-yard place kick by Britton in the opening period and an open field attack in the final quarter, defeated the Hawkeyes 9 to 6 in a thrilling homecoming contest here.

Grange, fleet left halfback of Illinois, brought down to the game and they seemed to outnumber the rooters for the home team. Eugene goes to Albany next Saturday to play the high school team of that city.

## STANFORD TEAM VICTOR

CARDINAL SMOTHERS LIGHT OCCIDENTAL ELEVEN

LOS ANGELES, Oct. 20.—The Stanford university football team overwhelmed the lighter Occidental college squad at the Coliseum here today 42 to 0.

## OREGON AGGIES ROUTED BY CALIFORNIA ELEVEN

Bears' Criss-Cross and Fake Reverse Ground-Gainers

FINAL SCORE IS 26 TO 0

Price, Gill Make Long Gains at Outset but Bears' Line Self-Focus at 24-Yard Mark

CALIFORNIA FIELD, Berkeley, Cal., Oct. 20.—The University of California, Pacific Coast champions, won the first skirmish of the 1923 conference season here today when they defeated the Oregon Agricultural college eleven 26 to 0 with an elusive criss-cross and fake reverse attack which was interspersed throughout with a punting duel. The square toe of the Bear's punt gaver the Bears six of their tallies, and added materially to the yardage they gained through the line. In the second period Blewett dropped a field goal from the 20-yard line and in the next period he duplicated the feat from the 25-yard line.

After permitting Price and Gill to puncture the line for long gains in the first period which placed the ball on the 24-yard line, where Price failed in a drop kick for the goal, the California line tightened and the Aggies unable to break through, were forced to resort to punting frequently. They did not again become dangerous to the Bears.

Nipping off consistent gains at every smash, Dixon and Blewett advanced the ball from California's 32-yard line down the field and across the goal line making first downs repeatedly and hammering away at the Aggies' right wing which cracked under the attack. Blewett laid the ball on the one-yard line in a last dash of nine yards and Brown, who was sent into substitute for him, wriggled across the last chalk line.

Dunn Makes Spectacular Goal Dunn picked Dixon's pass out of the air at the 25-yard line and raced under the uprights in a final spectacular play in the last quarter.

The Bear's other touchdown came in the second period when Dunn smashed through tackle on a criss-cross after California had marched forty yards with the pigskin.

Blewett's punting outlasted that of Price and California repeatedly gained on exchanges, which were frequent during the game.

Coach Andy Smith of the Bears used three quarterbacks, Evans, King and Imlay, and sent in many substitutes as the game progressed. The Aggies made few substitutions. About 12,000 spectators witnessed the game.

The lineup:  
Oregon Aggies (0) (26) California Snider.....LB Hufford Locey.....LT Newmeyer Day.....LG Perry Rich.....RC Toppman Lyman.....RT Carney Scott (C).....RT Beam Tebb.....RE Mell Price.....QB Evans Garber.....LH (C) Nichols Gill.....RH Dixon Fell.....WR Witter

Score by periods:  
Oregon Aggies.....0 0 0 0—0  
California.....0 10 9 7—26

Goal from field, Blewett, 2 (substitute for Dixon) touchdown, Dunn, 2 (substitute for Nichols); Brown, Leubsdorf for Blewett; Points from try after touchdown, Blewett, Dixon.

Referee, Meyer, Franklin and Marshall; Umpire, Huebel, Michigan; head linesman, Falk, Washington.

Time of periods, 15 minutes.

## TIGER BADLY TROUNCED BY NOTRE DAME PLAYERS

Twenty-Five to Two Is Toll Exacted By Hoosiers

(By The Associated Press) PRINCETON, N. J., Oct. 20.—Notre Dame today slaughtered Princeton, 25 to two.

Marching into Jungletown fresh from its victory over the Army, the invader from Indiana launched its attack of end-circling runs and forward passes, and allowed the Princeton team but two markers scored on safety, in the second period.

Four touchdowns by different players was the toll which the Hoosiers exacted from the undefeated champions of the Big Three in 1922.

D. Miller, Struhldreher, Layden and Maher crossed the line for the Middle Westerns and Layden scored once in booting the ball over the goal posts after touchdowns.

Some 30,000 spectators witnessed the battle.

Much of the game was fought in the air. Four Princeton passes were intercepted and three of the balls hurled by the Hoosiers. Zev's final score, Notre Dame 25 to two. Layden scored once in booting the ball over the goal posts after touchdowns.

## The Tie That Binds

THE UNITED STATES is a nation of far reaching relationships. Urged onward by new opportunities in a land of boundless resources, families have separated more than in any other land. Few men live where their fathers or grandfathers lived. Domestic ties stretch between communities widely scattered.

form no barriers to trade. In business and social life, as well as in government, the nation has become a great community.

Hence there is a natural demand for telephone service that has no narrower boundaries than those of the country itself. Such a nation-wide service can be given only through an organization having a uniform policy by means of which all its distant activities can be joined together.

The Bell System provides such a service to meet the needs of a united people

## Bell System

One Policy · One System Universal Service And All Directed Towards Better Service

The Pacific Telephone and Telegraph Company

## WRESTLERS ARE AT WORK

PROSPECTS AT UNIVERSITY FAIR, SAYS COACH

Wrestling prospects at the university are fair this year, says Earl Widmer, coach of the varsity wrestling team. According to Widmer, the turnout has been light so far, as many of the men are engaged in football. Estel Akers, Ike Mills, Ed Kirtley and Jens Tejeson are men of varsity caliber who are out for football. Chatburne, Robertson and Sumpton are light, but have a strong chance to make the team.

Widmer has two sophomore classes in wrestling at this time, with about 12 students enrolled. As most of the men are green at the mat game, the greater part of the time is being devoted to fundamentals. This plan will be adhered to until Christmas, when the men will get more of the finer points of the game. These classes are open to all men who are interested in wrestling.

The intercollegiate season will open February 9 when Oregon tackles the mat team from O. A. C. February 15 the team will take a northern trip and will meet Idaho, W. S. C. and Washington. March 6 is the closing meet of the season, with O. A. C. as the opponent.

# Announcing Warner Bros Classics of the Screen

ONLY EIGHTEEN FEATURES DURING THE YEAR BUT EACH ONE A CLASSIC OF MASTERLY RECEPTION, FINISHED ACTING AND A SUPER PRODUCTION.
