Property on Fourteenth Avenue and Kincaid Street Selected as Site For Building

Negotiations for the purchase of property near the University of Oregon campus by the Presbyterian church of Oregon at a site for a school of religion, which is a future plan of the church organization, are expected to be closed this

week, according to officials of the church. Although no announcement has been made as to the possible site in view, it is understood that the deal is for the property at the southwest corner of Fourteenth avenue east on Kincaid street, owned by the Phi Gamma Delta fraternity. The site has a dimension of 160 feet on Kincaid street and 110 feet on Fourteenth avenue, and is considered one of the most valuable in the vicinity of the university, as it is directly opposite the proposed entrance to the campus included in the new building plans. The Phi Gamma Delta fraternity is negotiating for another site for a building at Nineteenth avenue east and University street. A home for Rev. Bruce J. Giffen, Presbyterian student pastor of the university, will be built on a part of the site if the deal is closed. The plans for the future school of religion will be worked out later, according to Dr. H. L.

**JURY SEEMS TO DISAGREE**

Unable to Reach Verdict at Late Hour in Case Against Johnson and Gunderson

The circuit court jury in the case of the state against J. F. Johnson and Harold Gunderson, charged with the theft of H. Melsner's automobile here July 24, was still out at midnight after deliberating since 5:30 p. m. yesterday and indications pointed to a disagreement. This is a case wherein Johnson and Gunderson, also Donald Lozzi and Kenneth Russell, all of Tacoma, were given a ride from that city to Eugene in Melsner's car, the intention being to make the through trip to San Francisco. After a stop had been made at Eugene the four youths took the car, according to the testimony, and started south with it. They were arrested at Oakland and brought back here. Lozzi has been out on bail for some time but the others have been in jail since Johnson's and Gunderson's defense was that they were allowed by Melsner to drive the car about town whenever the party stopped at different places and that when they took it to Eugene they intended to drive it only a short distance but the driving was good and they decided to go on to Roseburg but were caught before they got there.

Taken to Roseburg to Be Tried on Charge of Entering Store at Wilbur

Eugene Kidder and Robert Bull, who were arrested near Veneta Friday by Deputy Sheriffs Rodney Roach and Van Svarverud, were positively identified yesterday by postscripts of the four men who broke jail at Jacksonville a few days ago, as being two of the escapees. The officers were confident that they were the men wanted and Kidder admitted it. The two were taken to Roseburg yesterday by Sheriff Sam Starmer, of Douglas county. The sheriff says they will be tried there on a charge of breaking into the store at Wilbur, where they were on the way to Eugene. Two leather coats and two pairs of shoes worn by Kidder and Bull when arrested have been identified as having been stolen from the Wilbur store. They had been arrested in Jackson county for auto theft and if they are not convicted at Roseburg they will be taken back to Jacksonville to be prosecuted on the charge there, or when they returned to Eugene and prosecuted on a charge of breaking into the store at Franklin, said the local officers.
