Editorial-Sale

For six months this store has been advertising exclusively in the Eugene Guard.

While business has been wonderful, more than double what we anticipated before our opening, we know that we are failing to reach hundreds of families who should become Stanley customers.

This ad in the Register is to draw new trade, and an attempt to convert the majority of Eugene's grocery buyers to buy the Stanley way.

You who have not bought at this store will be shocked when you read these prices and realize that you have lost.

But it is never too late to take the right road.

Now Is the Time—

We thank you,

Geo. C. Stanley.
