

TWO STUDENTS COMING OVER TO BACK ROBIN REED

Crowd From O. A. C. Expected at Wrestling Match

Robin Reed, O. A. C. wrestling ace, will have a good sized following in the crowd tomorrow night when he meets Ed Brown, Chicago title champion, in one of the main feature bouts of the wrestling card scheduled at the Hellig theatre.

Hayward was trainer for the Olympic team last year, of which Reed was the grappling star. "Reed is one of the finest athletes I have ever met," says Hayward.

Frank Burns, Michigan wrestler, who has come to the coast to win new honors, is expected to arrive in town today, and will work out at the Winter Garden stadium this afternoon, says Mr. Dodelle.

Indications are that a record crowd will turn out for the match, says Mr. Dodelle.

ROCKY KANSAS WINNER OF LIGHTWEIGHT BELT

Buffalo Man Reaches Goal After 14 Years

(By The Associated Press) BUFFALO, N. Y., Dec. 7.—Rocky Kansas of Buffalo tonight won the lightweight championship of the world from Jimmy Goodrich, also of Buffalo.

In a stirring 15-round bout replete with action every second, the veteran challenger out scored the champion and achieved the goal he set himself to win more than 14 years ago.

The new champion, a sturdy, stocky fighter of Italian descent has been the idol of Buffalo boxing fans for years. His victory tonight surprised the experts who had figured that the youth and skill of Jimmy Goodrich would carry him through.

Goodrich was chosen successor of Benny Leonard in an elimination bout last summer without fighting Benny Leonard, who retired. Kansas was defeated by Leonard three times.

ALABAMA TO COME WEST FOR NEW YEAR'S GAME

Pacific Coast Conference to Select Home Team

(By The Associated Press) CHICAGO, Dec. 7.—The University of Alabama tonight signed a contract to play in the Tournament of Roses football game at Pasadena on New Year's day against a Pacific coast team yet to be selected.

Several teams were taken into consideration before Alabama signed the contract. For the last two seasons, the latter has won the southern conference football title.

Final acceptance by Alabama was received in a telegram from Wallace W. Wade, the southern team's coach, upon Benefield's return to the city from Alabama.

HUNTING IS SAID POOR

SILTCOOS LAKE REGION YIELDS BUT LITTLE

Although there were many hunters in the Siltcoos lake region over the last week-end there was little to report when local nimrods came home.

Only a few reports of duck were made and none of the Eugene hunters said the reason lay in the fact that there were too many on the scene.

PORTLAND MAN TO BOX JOE BLACKWELL

George Dixon

ment of roses Darwin Meisner, graduate manager, announced tonight. An official request from H. C. Howe, Oregon president of the Pacific Coast conference, asking Washington to reconsider, was received tonight.

Howe urged Washington "for the good of the conference" to reconsider its previous vote. Washington has always been willing to do whatever was thought best for the conference because the university believed in the conference, Meisner commented.

SENSATIONAL FIGHTING IS PROMISED TONIGHT

Blackwell-Dixon Go Said to Hold Thrills Aplenty

Joe Blackwell of Eugene and George Dixon of Portland will furnish one of the most sensational fights ever staged in Eugene when they meet at the Winter Garden tonight, according to W. W. Galloway, local ring promoter.

Both boys are said to be clever artists and carry heavy punches. Blackwell weighs in at 147 pounds and Dixon at 145. They will furnish the thrills in the semi-windup.

Promoter Galloway said yesterday he had provided for and completed arrangements for the fastest and most furious boxing card in the history of Eugene. He promises that the events will be full of action and no slow motion moments.

LEAGUE MEETING TODAY

BASEBALL STAR BARTER TO FEATURE GATHERING

(By The Associated Press) NEW YORK, Dec. 7.—Armed with persuasive adjectives, good intentions and bulging pocket-books, magnates and managers were lined up here tonight for the annual barter in baseball stars tomorrow at the annual meeting of the National League.

The American league will go into session Wednesday with a joint session of both leagues set for Thursday.

It appears generally established that both leagues will approve an earlier closing of the season, but not a shortening of the 154 games schedule.

Several magnates have suggestions for improving world series contests, including Clark Griffith of Washington, who brings with him a proposal to make all future world series five free games, with rain checks to be issued for the game on the succeeding day.

MAPLETON TEAM WINS

2-MAPLETON TEAM SPTS. BLACHLY TEAM DEFEATED IN RETURN GAME

(Register Lane County Special) MAPLETON, Ore., Dec. 6.—The Mapleton basketball team defeated the Blachly 21-17 in a return game between the two teams played recently. They expect to play off the tie in a game on a neutral floor in the near future. It is thought that Monroe will be selected for the location of this game.

The boys' and girls' high school basketball team will play their first conference games against

Florence at Mapleton December 12. The conference includes Florence, Reedsport, Lakeside, Smith River and Mapleton.

HOUSE TURBULENCE IN FIRST SESSION

(Continued from page one) issued yesterday by the delegation in which it was asserted that Mr. Longworth had been nominated at the caucus, binding members of the party "in violation of the principles" of the party. The Wisconsin delegation was not invited to attend the caucus.

After Mr. Longworth had been formally inducted into office and had delivered his inaugural address, the house had another weary roll call amid the usual hubbub and confusion, on the question of limiting debate on the proposed change in the rules.

Republican majority won its point for limitation 210 to 194. Debate on the rules lasted 40 minutes. In its course, the proposed change was assailed vigorously by the Democrats as a backward step in house procedure.

Organization of seven committees followed and the house, after a five-hour session, adjourned out of respect to representatives and senators who died during the nine months' recess.

The senate adjourned for the same reason and notice was given in both houses that memorial services for these dead would be held later.

PENSION ROLLS SMALLER

TWENTY-ONE RECEIVE PAY FOR WAR OF 1812

(By The Associated Press) WASHINGTON, Dec. 7.—The government's pension rolls showed a decrease last year of 13,003. Secretary Work was informed in the annual report made public tonight by Winfield Scott, commissioner of pensions. A total of 512,537 was enrolled as pensioners on June 30 last.

The loss during the year was the result of the death of 45,646 pensioners which was largely offset by the additions of 23,644 to the rolls.

Although the war of 1812 was fought a close 110 years ago, the names of 21 widows of soldiers who served in that war were on the pension lists at the close of the year.

The total payments for pensions decreased from \$229,994,777 in 1924 to \$217,150,612.

The commissioner estimated that a few of the soldiers who served in the civil war would still be drawing their pensions in 1950.

He is basing his estimate on the fact that one revolutionary war soldier lived 86 years after the close of

MARINE DECLARED NEED

SHIPS HELD NECESSARY FOR FOREIGN MARKET

(By The Associated Press) SEATTLE, Wash., Dec. 7.—All elements of America's population were admonished by John W. O'Leary of Chicago, president of the chamber of commerce of the United States in an address here tonight to join in "the establishment of a merchant marine on a permanent and sound basis."

The address, which was delivered at a banquet in the third rotary convention of the western division of the chamber, asserted that "the greatest single obstacle to the setting up of an American merchant marine today is the indifference of the American public."

O'Leary declared the farmers, in order to have a foreign market for their crops, need an American merchant marine more than any other class.
