

Harrisburg School Notes

Seniors to Produce Plays. Hoop Squads do Workouts. Domestic Science Pies Sold. Wild Life Pictures Shown.

HARRISBURG, Ore., Dec. 11.—(Special to The Register.) The ten members of the senior class who are in the class play are hard at work perfecting their parts as they expect to give it about the third week in January.

Jessie Wadsworth of the senior class has been appointed chief reporter.

Baskets have been put into position in the playshed and the hoop squads are enjoying daily practice.

Three committees were appointed at the regular student body meeting this week and are: For Christmas program, Shelby...

A fine picture of the football team appeared on the sport page of last Thursday's Portland Telegram.

The domestic science girls had individual pies for sale Wednesday noon and again Thursday for all students who were fortunate enough to have a nickel in exchange.

The biology class is very much interested in the classification of mammals.

Reports of the conference delegates were begun Thursday, Alice Murphy, who represented the senior class, gave the first recounting of conference experiences.

The sixth grade found out this week that they will be given their state exams in history in January and not in June as expected.

Marie and Rose Nairz, formerly of Stayton, enrolled Monday in the eighth and seventh grades respectively.

Each grade will be allowed from two to four minutes in the grade program or from 20 to 30 minutes of time. This program will be given in the Christian church probably the afternoon before Christmas.

Miss Cunningham's pupils were treated to a unique exhibit Tuesday. Rose Nairz brought a map of the United States to school which she had embroidered on cloth in some former school she attended.

The high school had its annual pre-Christmas drawing of names Thursday.

Book reports are coming in often now. Some of the students much preferring oral ones.

The school children were invited Friday afternoon to the eight reel motion picture show at the local Rialto of winter life in Oregon which the state game commission is showing with Frank Stellmacher of Albany in charge.

A special class for students who have failed in mathematics is being planned for next semester according to Miss Emma Chase, head of the mathematics department.

The composition of the music of this language. New songs were practiced in Latin as the closing number. John Ludlow, president of the club, and Lucille Husby, a junior planned the program.

Arrow heads, gold-fish, and poetry were topics discussed in the hobby hour program given in the library activity period on Wednesday.

Daryl Burris gave an interesting talk on American Indian tribes—comparing them and explaining their various distinctive characteristics.

The kindness of Harold B. Gourley, former resident of Eugene, and member of the staff of Senator Charles McNary, 442 Senate Office Building, Washington, D. C. is proving a great benefit to the high school library.

The year-book of Agriculture has been received and the "senate manual," "congressional records" and a list of documents available are expected to arrive soon.

Prints from famous paintings by Dupre Vuillefroy, and Ruysdael have been given to the library by Mrs. L. L. Constance, patron, and will be placed with a collection already owned.

Christmas presents, not exceeding ten cents in value, are to be brought by each member of the girl's service for the person whose name she drew at the meeting held December 9.

About 15 library books and many lost articles were found in the locker raid held December 10.

Reports of the conference delegates were begun Thursday, Alice Murphy, who represented the senior class, gave the first recounting of conference experiences.
