MODERN WOODMEN ELECT
ROY W. CARLTON NAMED
THREE-YEAR MANAGER
(Register Lane County Special)
SPRINGFIELD, Ore., Dec. 18.—The last meeting of the Modern Woodmen of the World which was held last night was taken up with the election of officers to head the local group for the coming year. The next meeting will be held with the new leaders presiding. Plans for Christmas work were also made by the organization.
The new officers of the lodge who were elected last night are: N. H. Litchland, consul; V. B. Manning, adviser; Charles Myers, secretary; John Lenthart, watchman; J. B. Vaughn, secretary; Roy W. Carlton, manager.
With the exception of Roy W. Carlton, the officers hold office for one year beginning with the first of January. Mr. Carlton was named three-year manager and

COMEDY IS PRESENTED
HIGH SCHOOL PLAY ATTENDED BY FOUR HUNDRED
(Register Lane County Special)
SPRINGFIELD, Ore., Dec. 18.—The sparkling four-act comedy "Assisted by Sady" presented by a cast from the Springfield high school at the auditorium last night was enthusiastically received by over 400 students and townspeople this evening. The play was written by Walter Ben Hair. The direction of the play was done by Miss Frances Hodges, science teacher at the high school.
The play is the first of a series of three plays given by the student body each year. The next will be presented according to Miss Hodges, who has charge of dramatics at the high school.
It was given yesterday afternoon in the high school auditorium before 500 school children of Springfield. The presentation served as a dress rehearsal for the presentation this evening.
Following is the cast:

A Very Important Matter
Filling prescriptions as your family physician directs with characters you know nothing about, written on a small piece of paper, is a very important matter. Those characters are an order to the pharmacist to properly mix pure drugs for the relief of the one who is ill in your home.
We take no chances here. We never substitute. We use only pure drugs—the best money will buy and use every care in prescription work.

THIEVES STEAL MILK
OFFICERS PLAN INVESTIGATION OF PEITY LARCENY
(Register Lane County Special)
SPRINGFIELD, Ore., Dec. 18.—Stealing of milk and milk bottles which has been going on for some time has become such a nuisance that city officials are planning a campaign to catch the offenders. The situation is now worse after going on for six months.
No formal complaint has been lodged with the chief of police or the city hall but there has been a great deal of dissatisfaction expressed.
The thieves have repeatedly left milk bottles around without any effort to sell them. A large box of empty bottles was found near the Brattain school recently and turned back to the milk canners of Springfield by the finders. They work in the morning and at night after the rounds of the milk wagons are made.
City Marshal George Valliers and Night Marshal Fred Henson have started investigation of the case.

POST OFFICE PREPARED
SHELVES INCREASE FACILITIES FOR CHRISTMAS RUSH
(Register Lane County Special)
SPRINGFIELD, Ore., Dec. 18.—"The peak of the Christmas package rush will come about Monday," said Frank H. Hamlin, postmaster of the Springfield post office. The local office has prepared for the annual December rush by building long shelves the length of the room to accommodate the packages.
Those shelves are now practically completed and will be ready for use, according to the postmaster. The increased facilities will enable the office to handle both outgoing and incoming packages with greater ease than ever before. He said the office will be able to clear daily by that means.
Milk Receives Grain
(Register Lane County Special)
SPRINGFIELD, Ore., Dec. 18.—Two carloads of wheat and oats were received at the Springfield Milk and Grain company's warehouses yesterday afternoon. The grain will be used for redistribution among the farmers and for the mill. The carload of hard wheat was received from the Big Bend country of eastern Washington and the carload of oats from eastern Oregon.

DAILY MARKET REPORT
(Oregon Journal Market Review)
PORTLAND, Ore., Dec. 18.—First turn in egg market prices here for some days was shown on the exchange when advances of 1c to 2c were forced in prices. Underized alone was up 2c for the season.
Recent declines here appear to have been a trader's loss hurried. Values at Portland have been too far below practically all other markets of the coast. Whether the reaction will be temporary or not depends upon weather conditions.
Receipts of eggs continues of very liberal, in fact record-breaking volume. Everyone in the trade agrees this demand has not been sufficiently increased to take care of the growing surplus, therefore another decline is expected offering the downward trend of prices will likely be resumed.
Of late feature at this time is the fact that despite the recent cutting of values here demand has not been sufficient to take care of offerings, more of which were placed in cold storage than were removed.
Butter Trading Is Easier
While showing no general price for the day, market for cube butter was generally easier in tone. On the dairy exchange a loss of 1c for standards was shown. Prints were unchanged.
Chicken Demand Very Keen
Very keen demand continues for chickens in the local trade. Receipts while of fair volume are below present wants of butler. Business in general is in rivalry with prices of nominal character and scarcely established.
Smelt Run Now Increasing
Quite a liberal increase in the run of Columbia river smelt is confirmed, with the catch at 100 to 150 pounds a week. There remains a very big supply of silverside salmon, but the quality is too poor for general use.
Apple Trading Very Limited
Very limited trading of apples is shown at the primary points. In fact, scarcely enough carload activity is indicated to establish prices. Local market is in rivalry with stock too ripe for long-distance shipment.
Orange Trade Demoralized
Because of surplus and an overstock of supplies here, market for oranges is demoralized. Wholesale quotations are below actual replacement cost.
Brief Notes of Wholesale Trade
Country-killed hogs about steady; veal, too.
Potato trade is weaker and prices generally shaded.
Very slow sales in comb honey; sugar too cheap.
Cranberry market about steady; locals about 10c; Yoncalla, 12c.
Ripe bananas showing a wide price spread.
Shippers' Weather Notice
Weather bureau advised Friday: Protect shipments during the next 36 hours against the following temperature: Going north to Seattle, 28 degrees; North to Spokane, 28 degrees; Ashland, 18 degrees; and south to Portland tonight about 28 degrees.

Resinol heals deep burn
Has used it for years and never known it to fail
Bolton, Mass., Jan. 22.—"In 1919 I burned my foot severely. Every time I moved the burn would open and for six weeks I tried various treatments which did no good—the burn simply would not heal. I was a nurse before I was married and had used Resinol Ointment and knew it to be wonderful, so I decided to try it on this burn. I had used only one jar when my burn was completely healed. I have used Resinol Ointment for years and have never known it to fail—it's great stuff."
