FURS WANTED
ATTENTION TO TRAPPERS!
I believe about this time some of you have shipped your furs to the wildcat price list houses, and I am positive that you are terribly disappointed. Because I know the way they deal from past experience. I was a shipper for ten long years and I always got the worst end of it. So why take your hard earnings and trust to people that you never see and are three thousand miles away. It is better to deal here with men you know and have been in business for 16 years where you have something to say about grading the furs yourself. Furthermore when you deal with us you must be satisfied with the grading, etc. If not you do not have to sell. But when you ship to the fake houses you must take what they give you. Take our advice and sell to the
WILLAMETTE HIDE & WOOL CO.
