### FOR SALE—Real Estate

AUCTION
The undersigned will offer at Public Sale to the highest bidder at 2 o'clock p. m. on Saturday, January 9th, 1926, at the corner of Fourth and High streets in Eugene, Oregon, the tract of land situated in Lane County, Oregon, and described as follows:
The N.E.¼ of the S.W.¼; the S.½ of the N.E.¼ and the S.W.¼ of the S.E.¼, Section 13, Twp. 11 S. R. 2 E. 160 acres.
About two miles south of at Cook's place on McKenzie highway.
This quarter section was cruised in 1916 by C. V. Oglesby (now of the Oglesby-Muir Timber Co. of Eugene) and at that time showed 3,300,000 feet of merchantable timber according to his estimate, and to my knowledge and belief, there has been no damage by fire or other causes since then.
Mr. H. F. Keeney, County Assessor, places a valuation of $4000 on this tract, and I have his signed statement that he assesses it at not more than 60% of the estimate made by his timber cruising deputy, so that according to his judgment, the tract must be worth at least $6000.
The above property is clear of all incumbrances and a warranty deed, abstract and copy of the cruise will be furnished the purchaser.
Terms—(Amounts under $600) cash, balance land sale contract, two years at 6%.
The sale will be without reserve and bona fide in every way, and will be conducted by J. K. Greer.
5% commission on amount received (in cash) will be paid to any real estate dealer in Lane County who furnishes me with the name of a prospective purchaser not later than one week preceding date of sale, if his client is the successful bidder.

### WANTED

FURS WANTED
ATTENTION TO TRAPPERS!
I believe about this time some of you have shipped your furs to the wildcat price list houses, and I am positive that you are terribly disappointed. Because I know the way they deal from past experience. I was a shipper for ten long years and I always got the worst end of it. So why take your hard earnings and trust to people that you never see and are three thousand miles away. It is better to deal here with men you know and have been in business for 16 years where you have something to say about grading the furs yourself. Furthermore when you deal with us you must be satisfied with the grading, etc. If not you do not have to sell. But when you ship to the fake houses you must take what they give you. Take our advice and sell to the
WILLAMETTE HIDE & WOOL CO.

### OBITUARY

In the passing of Mary L. Field at her home at Elmira Wednesday, another one of Lane county's early settlers has gone from among us. She goes to join that ever-increasing company of those who labored in hewing out of this untouched western country, the foundations of our present marvelous heritage.

Mary L. Cheshire was born in the state of Tennessee September 30, 1844. When but a small girl she moved with her parents to Missouri. She came to Oregon and Lane county in 1876, coming first to San Francisco and then by boat to Portland and then on to Eugene by rail. She settled at Fern Ridge, where she lived until five years ago. Since then she has made her home at Elmira, where she laid down the toil of this life to take up the greater service of Him whom she loved and served, in that better land beyond.

She leaves behind to mourn her loss five sons, William and Henry Landers of Elmira; Edmond L. Landers and Loma F. Field of Portland, and Arthur C. Bates of Eugene, besides one sister, Mrs. W. O. Baker of Eugene and one brother, Edmond Cheshire of Missouri; and five grandchildren, Ellery Landers, Robert and Kenneth Field, Harold and Iris Bates, and a host of friends who knew her as "Aunt Mary." While they feel very keenly their loss, yet they cherish in blessed memory the loving influence of a godly mother.
