AUCTION
The undersigned will offer at Public Sale to the highest bidder at 2 o'clock p. m. on Saturday, January 9th, 1926, at the corner of Fourth and High streets in Eugene, Oregon the tract of land situated in Lane County, Oregon, and described as follows:
The N.E.¼ of the S.W.¼; the S.½ of the N.E.¼ and the N.W.¼ of the S.E.¼, Section 12, Twp. 17 S., R. 3 E., 160 acres. About two miles south of Al Cook's place on McKenzie highway.
This quarter section was cruised in 1916 by C. V. Oglesby (now of the Oglesby-Muir Timber Co. of Eugene) and at that time showed 2,300,000 feet of merchantable timber according to his estimate, and to my knowledge and belief, there has been no damage by fire or other causes since then.
Mr. B. F. Keeney, County Assessor, places a valuation of $4000 on this tract, and I have his signed statement that he assesses it at not more than 50% of the estimate made by his timber cruising deputy, so that according to his judgment, the tract must be worth at least $8000.
The above property is clear of all incumbrances and a warranty deed, abstract and copy of the cruise will be furnished the purchaser.
Terms—(Amounts under $600) cash, balance land sale contract, two years at 6%.
The sale will be without reserve and bona fide in every way, and will be conducted by J. K. Greer.
5% commission on amount received (in cash) will be paid to any real estate dealer in Lane County who furnishes me with the name of a prospective purchaser not later than one week preceeding date of sale, if his client is the successful bidder.

FURS WANTED
ATTENTION TO TRAPPERS!
I believe about this time some of you have shipped your furs to the ... cat price list houses, and I am ... tive that you are terribly disap... pointed. Because I know the ... they deal from past experience ... was a shipper for ten long years and I always got the worst end of it. So why take your hard earnings and trust to people that you never see and are three thousand miles away. It is better to deal here with men you know and have been in business for 16 years where you have something to say about grading the furs yourself. Furthermore when you deal with us you must be satisfied with the grading, etc. If not you do not have to sell. But when you ship to the fake houses you must take what they give you. Take our advice and sell to the
