TIRE SHOP WILL OPEN

EQUIPMENT INSTALLED FOR VULCANIZING PLANT
(Register Lane County Special)
SPRINGFIELD, Ore., Jan. 1.—A new auto tire shop will be opened in Springfield by L. C. Bossmann, a former resident. It will be located in the building recently occupied by the Danner Motor company as a warehouse of the automobile accessories. Mr. Bossmann has been busy for the past week overhauling and setting up materials preparatory to opening up the tire vulcanizing establishment some time next week. He hopes to have the equipment installed and ready for work by Wednesday. Mr. Bossmann came here from a Washington town about two months ago, and has been looking for a business location since that time. He leased the warehouse building from the owners, J. Winslow, after it had been vacated by the local motor company.

FEW PACKAGES REMAIN

SPRINGFIELD POSTOFFICE GOES BACK TO NORMAL

(Register Lane County Special)
SPRINGFIELD, Ore., Jan. 1.—Less than 50 packages, most of which are thought to be Christmas gifts, remain undelivered at the Springfield postoffice according to Postmaster Hamlin. It is thought that many of these will be delivered and the office completely cleared from the Christmas season by the end of the week.

The Christmas rush was comparatively short-lived, according to Mr. Hamlin. Packages continued to come for only a day or two after the holiday. No deliveries of mail were made on Christmas day. The shelves which were installed in the postoffice before the rush came on aided greatly in taking care of the great quantities of the incoming and outgoing mail. It was stated. The additional carrier which was added to the staff last week will probably be let off and the regular force will handle the office until next Christmas.

Improvement Planned

(Register Lane County Special)
