Here Is The Announcement You Have Been Waiting To See

For the last two weeks you have been reading in this paper the words—"Watch this Space." This is the "space" we want you to read. This is the one we have been heralding.

This is of vital importance to every member of the family. The innovation we have evolved in the making of bread is now available.

The New Process Loaf

Same Recipe But Made By A New Process

The new process loaf is still Butter-Krust bread. The same recipe is followed exactly. The lovers of Butter-Krust Bread will not be disappointed in the new bread, because it is an improvement.

We have just recently purchased and installed a new mixer—the most modern and up-to-the-minute machine on the market today. This new mixer has worked wonders in the making of Butter-Krust Bread. The new mixer has five times the number of revolutions per minute as did our old one. It turns out the dough in one-fifth the time and does a better job at the same time.

Of The Well Known

Butter-Krust BREAD

ON SALE TODAY

At Your

Wholesome and Nourishing

Butter-Krust is now as it should be—better mixed, whiter and fluffier. It is still made from the same rich ingredients that you would select for your own baking. It contains a large share of sweet, whole and creamy milk. It contains refined salt, 100% pure vegetable shortening, wholesome yeast, pure cane sugar, flour made from the golden grains of the choicest wheat.

Butter-Krust is the improved loaf that is constantly improving. The skillful blending of ingredients, with the proper baking, results in a loaf that fairly makes your mouth water.
