WENDLING MILL CLOSES

SHUTDOWN OF TWO WEEKS ANNOUNCED BY DIXON

Springfield Plant May Be Idle Same Length of Time After That

The Wendling mill and the camps of the Booth-Kelly Lumber company will close down Saturday for two weeks, according to A. C. Dixon, manager of the company, on account of a dull market and slow buying.

It is quite probable, said Mr. Dixon, that when the Wendling mill starts up again after two weeks shutdown the Springfield mill will be closed for two weeks and for some time after that it is quite likely they will alternate in that way.

Mr. Dixon and Ralph Martin, sales manager of the company, left yesterday afternoon for Seattle to attend the annual meeting of the West Coast Lumbermen's association. During the sessions the fir lumber manufacturers will discuss an advertising campaign plan wherein it is expected to spend \$100,000 in boosting the sale of fir lumber throughout the United States.

LANE STOCK BREEDERS

Eugene Man Elected at Annual Session

A. R. SHUMWAY SPEAKER

Candidate for Senate Urges Association to Ask Congress for Federal Aid

R. B. Thompson, of Eugene, motor route 4, was elected president of the Lane County Purebred Livestock association at the annual meeting held at the chamber of commerce yesterday. E. A. McCormack, who has been president for the past year, was the choice for secretary and treasurer and directors representing different breeds of animals were elected as follows: Owen Thompson as representative of the Jersey breeders; Mr. Hawley of the Lorane district to represent the Shorthorn breeders; A. Benter of Creswell to represent the Holstein; H. C. Wheeler to be the representative of the Angus breeders; R. A. Hard of Junction City to be the member for the Guernseys; E. A. McCormack to

represent the Shorthorn; R. Johnson for the Oxford and Cotswolds breeders combined; W. Maxwell for the swine.

The meeting was declared by stock breeders to have been the best ever held by the association, the attendance being larger than ever before and the addresses were of very high order.

A. R. Shumway, of Milton, candidate for the nomination of United States senator, in a talk at the dinner served at noon by the women of the Willamette neighborhood urged that the association adopt a resolution to be sent to this state's representatives in congress, asking for federal aid for the stock raisers.

"For the government to give assistance to livestock men and farmers is not paternalism," he declared. "The government has aided the farmer by the passage of immigration laws, and it has aided the manufacturers by the tariff," the speaker pointed out.

At the afternoon session O. M. Plummer, of the Pacific International Livestock exposition in Portland; H. A. Lindgren, extension livestock specialist at the state college; O. S. Fletcher, county agent; Arnold D. Collier, county club leader; H. A. Soule, E. M. Hathaway and E. A. McCormack, spoke.

SCOUT POLICY ADOPTED

COURT OF HONOR TO MEET EVERY MONTH

Tests to Be Made More Stringent Than in 1925 Under New Rules Adopted Last Night

Policy of the Boy Scout movement in Eugene for the coming year were adopted at a meeting of the Lane County Court of Honor, held in the office of R. A. Booth last night.

Members of the court present were Mr. Booth, president; A. A. Rogers, Frank Jenkins and C. R. Clark, the latter acting in his capacity of executive.

Chief among the policies adopted was the standardization of tests for merit badges, under a plan which will tend to make the qualifications more stringent than they were in 1925. As an instance, it was explained, all first aid work will be done under the direction of local physicians, instead of partly by scoutmasters, as in the past.

The next session of the Court of Honor will be held at the courthouse February 10, and the members plan to hold monthly meetings hereafter.

Among other things, the court went on record last night as regarding the limitations of awards for merit badges to three a month for any one scout. This will dis-
