

CONFERENCE OPENS

CONFERENCE EXPECTED
TO BE A SUCCESS

Factor Older Youth
of the Episcopal Topical
of Discussion

During the "older boy"
in his efforts to reach a
higher intelligence, Chris-
tianity, more than any other
religion, has been the cause
of the world's progress and
which has returned to the
T. M. C. A. here this
morning.

The conference will be
held at the Y. M. C. A. and
will be a success. The
older boys of the Y. M. C. A.
will be the main feature of
the conference.

ENGINEER HERE MONDAY

AMERICAN WILL SPEAK AT CLUB
LUNCHEONS

Harry B. Hammond, federal sanitary
engineer, will be the speaker
at three luncheon functions in
Eugene next week, when the
question of river pollution will be
discussed.

Tuesday noon he will appear at
the Rotary club, Wednesday noon
with the Lions and Thursday with
the chamber of commerce, it was
learned last night.

Negotiations for his talks before
the civic service clubs have been
under way all week and it was
definitely known yesterday that he
would be here for the speaking
engagements.

It had been hoped that Mr.
Hammond would speak at the Ki-
wanis luncheon and arrangements
were made for this address also.
Owing to the fact that he will not
reach Eugene until Monday night,
the Kiwanis will go ahead with
their regular schedule. A. C.
Littig, head of the state Ameri-
canization department and past
lieutenant-governor of the Kiwanis
club in Oregon, will be the featured
speaker Monday noon.

Arrangements for his talk were
made by E. S. Gannett, chairman
of the program committee for next
week.

Mr. Hammond is in Oregon at the
invitation of the state board of
health and the state game com-
mission and his subject will cover
a state-wide problem in which
residents on all of the Oregon
rivers and streams are interested.

Mayor E. W. Lee said yesterday
that the city is coming when
a different sewage system would
have to be adopted in Eugene and
other cities of the Willamette val-
ley, and that the addresses to be
given by the federal engineer would
clarify much of the problem facing
these communities.

TELEGRAPH MEN HERE

WESTERN UNION WILL GET
NEW EQUIPMENT

Plans for the annual spring
renovation and renewal of fur-
nishings in the Western Union tele-
graph office in Eugene were being
made yesterday by traveling rep-
resentatives of that company.

E. C. Cole, district commercial
superintendent, of Seattle, and H.
C. Hockett, division maintenance
superintendent, of Portland, visited
the local office and spent yesterday
in taking inventory.

Some equipment will be added to
the local plant to use in connection
with the new wires over the
Klamath Falls-Eugene line, it was
said.

Radio Reception Good
DISTANT STATIONS ARE
HEARD IN EUGENE

Radio fans all over the city last
night reported excellent reception,
one receiver stating that he had
logged 25 stations during the even-
ing.

Atlanta, Georgia, was the far-
thest away station heard by Fritz
Ludlow and C. A. Eldridge, at 465
Eleventh avenue east. A new sta-
tion in Atlanta, WJL, was also
heard in Atlanta. With a range of
about 43 miles, the same wave
length as KFO, it was said.

Walla Walla, Spokane and two
Calgary stations were also heard
here and one radio fan reported
listening in on a Cuban station.
