

STORE DRAWS BREAKING CROWD

Business Is Far and Expectations

FORCE SWAMPED

Turn Over for Day and Reached by 2 O'Clock in Afternoon

Business of the A. J. C. Brill Store

opening hour in the past long after the doors had last night, customers over the counters in numbers surprised even the experienced

departments had tripled expected, according to the manager. In all of the departments the selling was 100 per cent in excess of last year.

response appreciated. Eugene people certainly appreciated it. It was all a wild dream. When it was the greatest day of the store, we at the Schaefer Brothers some big days in the past were in business on this

manager said that when they closed the doors at 7 for the day, the new owners had enough. Thirty people had been used and for this was evident by the long lines of waiting people outside on the street that one turned in more than early afternoon were not

naming the sales person, and said that this was true, but that the sales had made some of the big sales in the store, department that was particularly

C. Brill is grateful. He said that he was grateful to the people of this city who had been closed for two weeks. He said that he was grateful to the old customers, but many new

socialists were established," he said. Customers of the Schaefer Brothers were extended the same credit allowances as before and the delivery system of the store is to be retained.

No new decorative features were in evidence yesterday, the changes to take place in the near future as time permits. Many local firms however, sent large bouquets of flowers to the store in recognition of the opening under the new management. These were placed in appropriate places and were the cause of no little comment.

An added feature of the day's turn over of goods was in the fact that the business estimated for the entire day and evening, had been reached by 2 o'clock in the afternoon.

"Business as usual" took the form of an unusual business.

STATE DEBATE APRIL 9

EUGENE TO MEET NORTH BEND HIGH SCHOOL

Margaret Edmondson and Mary Klum to Represent This City on Negative Side

Eugene high school debaters will meet with a team from the state championship, in a contest to be held in this city April 9. It was announced yesterday by P. E. Christensen, principal of the local institution.

Eugene will take the positive side in a debate, the problem of which is to be announced later. Those who will represent this city are Margaret Edmondson and Mary Klum.

Frank J. Palmer has been coach of the Eugene high school team and has been assisted during recent weeks by Mr. Christensen.

PUBLIC MARKET PRAISED

DEPUTY FROM STATE INSPECTOR'S OFFICE HERE

Deputy Duncan from the office of the state dairy and food inspector, looked over the Eugene public market yesterday and pronounced it to be sanitary and well kept.

Mr. Duncan declared the local market better and more sanitary than Portland's.

One suggestion he had to make was that it would be still more sanitary if it had another coat of paint on the interior.

Nothing causes more trouble than for a woman to try to get romantic while her husband is trying to get Havana.

FIELD DENTIST URGED FOR WORK IN COUNTRY

Upper Willamette Society Holds Meeting Here

COMMITTEE IS APPOINTED

Oral Surgeons Plan Clinics at Pacific Coast Conference in Portland Next June

Proposal to institute a "field dental circuit" for rural work, was presented to the members of the Upper Willamette Valley Dental society, at the regular monthly banquet meeting held in the grill room of the Osburn hotel last night.

The movement, sponsored by Father Edwin V. O'Hara, pastor of St. Mary's Catholic church, met with a general approval and a committee composed of Drs. Willoughby, Miller and Gunn, the latter of Corvallis, was appointed to investigate the feasibility of the plan.

It is probable that if put into effect, a portable dental outfit will be taken into rural communities where there is no regular practicing oral surgeon.

Papers Are Discussed

More than 50 dentists of the society attended the session.

Representatives of Albany, Corvallis, Cottage Grove, Springfield and Eugene, were present.

Dr. J. L. Hesse gave a paper on "facial infection" and Dr. J. H. Miller presided over a clinic on crowns. Dr. L. Hogan led the discussion.

Further plans were discussed relative to the attendance from here at the Pacific coast dental conference to be held in Portland in June. The local dentists plan to give a series of clinics then.

LECTURER IS ANNOUNCED

NEXT MASONIC ADDRESS IS BY JUDGE POTTER

Plans are Taking Shape for Grand Opening of New Temple Some Time in August

Considerable interest has been aroused by Masons over Lane county, in the Masonic lecture course being conducted in Eugene, much of the comment arising from the recent discussion of "immortality" given by Professor Hugh E. Rosson of the University of Oregon faculty.

Reports reaching here yesterday indicated that a large number of out of town Masons were expected to attend the next lecture, which will be held at the communication of April 21 when Judge E. O. Potter will deliver the address. His subject has not yet been announced.

In Prof. Rosson's discussion he brought out the theory of the life hereafter of the different races of the world. Refreshments follow each talk.

It was announced yesterday that at the next special communication, March 24, the entered apprentice degree would be conferred on a number of candidates.

Reports will be heard soon from the committee appointed to arrange details of the furnishing of the new temple at the corner of Tenth avenue west and Olive streets, which is rapidly nearing completion. Craftsmen were yesterday engaged in dressing down the brick facings and the scaffolding is expected to be razed within a few days. The interior of the temple is being plastered and most of the downstairs walls and ceilings have been processed. Workers were putting the final touches on the ceiling of the assembly room on the second floor yesterday.

No date has been set for the opening of the new temple, although it is expected that a gigantic celebration of the event will take place early in August. Plans for this event will be announced later.

LOCAL PROPERTY IS SOLD

MANY HOUSES INCLUDED IN RECENT DEALS

Transactions Through Lawson G. Bradley Firm Made by Louis Borde are Announced

House and lot at 439 Polk street to L. Thomson by Frank Rao.

Lot in Hendrick's second amended addition to Mrs. M. Slevers by R. S. Smith.

IDEAL VACATION COMING

W. P. WALTER AND FAMILY TO TOUR STATES

Resigned Boys' Work Secretary of the Eugene Y. M. C. A. in Need of Long Rest

Plans for an ideal vacation, denied him and his family for five years since coming to Eugene to engage in boys' work in the Y. M. C. A., are being made by W. P. Walter, boys' work secretary of the association, whose resignation was recently accepted by the board of directors.

Mr. and Mrs. Walter and their son expect to leave Eugene early this summer by automobile and spend about two months in a nomadic tour of several southern states. They will visit friends and relatives in California, Nevada, Arizona and heading north again, Nebraska and possibly one or two other states, time permitting.

"Just a few good books, a blanket, plenty of provisions and our portable radio set, and we're off for a real vacation," said Mr. Walter. "I do not expect to get back into the harness again for a while, and if everything goes right my family and I will enjoy a much needed rest and period of recreation."

In the five years that Mr. Walter has been with the Eugene Y. M. C. A., he has taken one vacation of two weeks in which he was given an opportunity to make the best of idle time. Most of his work has been at night, often away from home.

ANNIVERSARY IS PLANNED

DE MOLAY TO ATTEND CHURCH MARCH 28

Founding of Local Chapter and "Devolotional Day" to Be Observed at Same Time

Local members of the order of De Molay will observe two anniversary dates Sunday, March 28, when they will celebrate the founding of their chapter here, and will attend church in a body

as a part of the national "Devolotional" day exercises.

The boys will open lodge in the Masonic temple at 7 o'clock in the evening, go to the First Methodist, Episcopal church, and return after to the lodge rooms to disperse.

New fox caps which recently arrived will be worn.

SCENE AT LOUISE HOME IN PORTLAND

Chronic Fatigue Keeps Many Mothers Always "Dead Tired"

Thousands of pale, tired, worn-out mothers are victims of chronic fatigue and do not know it.

Chronic fatigue is not the ordinary tired feeling. It is an unnatural tiredness that "hangs on"—usually due to lack of sufficient organic iron in the blood. For conquering it, Nuxated Iron is unexcelled. It contains true organic iron like that in the blood, and in spinach and lentils. Nuxated Iron increases strength in two weeks or money back. Will not injure teeth or disturb stomach like mineral iron. For sale at all good druggists.

TOO TIRED TO ENRICH THE BLOOD AND BANISH CHRONIC FATIGUE

NUXATED IRON ENRICHES THE BLOOD AND BANISHES CHRONIC FATIGUE

by the state industrial accident commission. Of the 622 accidents, 548 were subject to the provisions of the workmen's compensation act.

OREGON BALLHEAD

This is the acknowledged leader among Northwest growers for a winter cabbage. We have developed this strain until it excels all others for solidity, resistance to rot, and early maturity. The outer leaves are deep green and will hold their color weeks after cutting. It is the best keeper of all, and every plant will head solid and every plant will stand over planting than any winter sort and still produce solid heads. None of our seeds, or this variety, is planted in the Northwest, than any other kind of winter cabbage. Pkt. 15c or 45c 1/2 lb. \$2.00 1 lb. \$3.85.
