

Yes Sir! It's a Gruen

A rectangular movement in a rectangular case, making possible larger and stronger parts. This gives you a strong "he-man's" watch.

It has patented dust and moisture-proof non-pull-out stem. The back of the case is curved for comfort on the wrist. Spring lugs permit change of strap without sewing. It has a long mainspring and therefore will run longer than the average watch.

Masculine in style and design, sturdy in construction, made in 14-kt. white or green gold reinforced case—priced at \$45. See this new creation—now on display.

Red Grange and the Other 10 Men

Swiftness and turning—out speeding his pursuers—it seems that very time Red Grange carries the ball a gain is sure to result. Such a Napoleon of the gridiron strikes the fancy. Yet powerful and crafty as he is, Grange can not win victories without ten other good men in the lineup. In the game of running your business, have you paid sufficient attention to "the other ten men?" In handling problems of finance, for example, do you have the help of men experienced in this field. You can; for the officers of the U. S. National Bank are always ready and willing to give you their advice and assistance. They have had years of experience in this phase of business.

SECRETARIES' SCHOOL TO OPEN HERE MONDAY

Attendance of 30 Or 40 Is Expected

I. E. VINING TO LECTURE

Program Includes Classes at University and Entertainment by Clubs of Eugene

Up to last night 25 secretaries of various cities throughout the state had made known their intention of attending the sixth annual short course for commercial secretaries, which opens on the University of Oregon campus Monday morning, it was announced. The total attendance is expected to be between 30 and 40.

Among those who have answered questionnaires sent out by the school of business administration, which is sponsoring the short course in connection with the state organization, are Irving E. Vining, president of the state chamber of commerce; W. D. B. Dodson, manager of the Portland chamber; W. G. Ide, secretary of the state organization; C. T. Baker, Hood River, and Mary Huthaway, both graduates of the university; Lynn P. Smith, Klaskan Falls; E. Wilson, Salem, and Mrs. Winnie Braden, Dallas.

The first gathering of the secretaries will be Monday morning at breakfast in Hendricks hall, which will be turned into a headquarters and hotel for the visitors during their stay here.

Morning Classes to Be Held—Four regular classes will be held from 9:00 to 11:00 each morning, two during each hour. In Commerce building. The first period will be devoted to discussions of "Real estate values in relation to community growth," room 200, and "Principles of community advertising," room 208. At 10:00 "Principles underlying community marketing" will be discussed in room 208, and "Problems of the unpaid secretary" will be the subject of discussion in room 200.

Various problems are to be taken up in the morning classes in connection with the general subject under discussion. The following section D. E. Faville, associate professor of business administration, will talk on "How to secure co-operation for community advertising."

"How do you account for the failure of co-operative stores simultaneously with the success of co-operative marketing?" is the question which A. R. Himmert, assistant professor of business administration, will talk on the subject "What means may be used to predict the probable growth of a community?"

Vining to Lecture—Irving E. Vining will deliver a series of lectures, one each morning at 11 o'clock, in the chamber of commerce rooms. On Monday he will talk on "Basic qualities in business—community success." Tuesday, "Adjustment and maladjustment in business." Wednesday, "Knowing and influencing men." Thursday, "Types and tendencies of secretaries." Friday, "The American business man as a world traveler."

These lectures are to be held down town for the convenience of the business men of the city.

Service Clubs Entertain—The secretaries will be the guests at a series of luncheons given by Eugene service clubs, the Kiwanis on Monday; the Rotary, Tuesday; Lions club, Wednesday, and the chamber of commerce on Thursday. The noon hour on Friday will be devoted to the annual business session of the secretaries' organization.

From 2:00 to 4:00 p. m. each day will be given over to a round table discussion in room 204 Commerce, where Oregon community problems will be discussed. Following this will be a two-hour recreation period until 5:00 p. m., when dinner will be served at the hall.

"Fireside talks" are scheduled for 7 o'clock each evening. Professor J. D. Barnett, head of the political science department, will talk on "The city manager plan" on Monday evening. On Tuesday evening F. E. Folts, associate professor of business administration, will discuss "Superstition in business." A musical program by the school of music will be the feature on Wednesday night. "What ought a S. A. C. O. S. to be doing?" will be the subject of Eugene Chadwick, president of the State Association of Commercial Organizational Secretaries, Thursday. The short course will end with the annual banquet and graduation exercises on Friday evening.

UPTON SPEAKS IN PARK

CANDIDATE SAYS HONEST MEN SHOULD ENFORCE LAW

Automobile and Gasoline Tax Too High Is Statement; State Administration Played

Jay H. Upton, candidate for Republican nomination as governor, spoke in the east park yesterday afternoon to a fairly large group of business men and farmers. Mr. Upton was introduced by I. E. Bean.

Mr. Upton favors "good, honest, capable men in the enforcement department of the state." "I promise to fire, if I become governor, any officer who would break the law of the state," he said, "and do not believe in the use of bootleggers and drunks to enforce the prohibition laws." This sentiment was hailed with applause.

Because of his experience of having served in the legislature for six years, Mr. Upton believes that he could see the point of view of the legislators and co-operate with them.

The speaker scored the present state administration heavily, alleging that expenses should be cut down and more capable and efficient men secured to fill the offices.

"Now what a governor should do would be to sit down in his office and try to find what is going wrong in the government," Mr. Upton said. "He should try to see where it is lost here and there and remedy this."

Mr. Upton declared the present automobile and gasoline tax, which in a real and personal property of the state yields only

Mr. Upton declared the present automobile and gasoline tax, which in a real and personal property of the state yields only

\$7,200,000 in taxes, he said, and automobile and gasoline taxes amount to \$9,600,000.

"What we need is not to raise \$100,000,000 more in taxes," the speaker said, "but to see if we can't economize so that we may still have good roads and the progress we have now. The governor of the state would be of some real service if he might help by cutting down the expenses of government."

JACOBY GRADE IS NARROW

COUNTY ENGINEER MORSE ISSUES WARNING

The Jacoby grade near Jasper is in a dangerous condition for travel and all who attempt to drive over it are taking their lives in their hands, said P. M. Morse, county engineer, yesterday.

The county court had placed barricades across the road at that point but they have been repeatedly broken down, said the engineer. It is expected that beginning Monday, a barricade will be placed there and travel will have to cease over the dangerous spot.

The Southern Pacific is blasting off the point at that place and this has caused the roadway to narrow down to but a few inches wider than an automobile.

RADIO DEBATE IS LISTED

OREGON AND U. S. C. TO MEET OVER KGW APRIL 3

War Should Be Declared By the People Except for Invasion Or Revolt, Is Subject

The University of Oregon will engage in a radio debate with the University of Southern California on April 3, at the KGW station, Portland. It was announced yesterday. The contest is to start promptly at 8 p. m.

The Oregon team, composed of Donald Beeler, Warren, and James Johnston, Hood River, will uphold the affirmative side of the question: "Resolved, That war, except in cases of invasion or internal rebellion, should be declared by the people of the people." The names of the members of the negative team of U. S. C. have not been learned here, according to Jack Hempstead, men's forensics manager.

Each of the four speakers is to be allowed 15 minutes for his first speech. In the rebuttal session the first speaker for each side will be allowed seven minutes, but the second speaker will be restricted to six minutes. Mr. Beeler will open the arguments for Oregon, and Johnston will handle the closing session.

TWO DOCTORS ARE SUED

MRS. GOODPASTURE SEEKS \$27,733.25 FROM DALE, TITUS

Mrs. Mazie G. Goodpasture, wife of B. F. Goodpasture, automobile dealer of this city, yesterday filed suit in circuit court against Dr. William H. Dale and Dr. J. P. Titus, Eugene physicians, for \$27,733.25 damages on account of an operation they performed upon her nearly two years ago and which she alleges was unnecessary.

She alleges in her complaint that the defendants did not use reasonable care and skill in making the diagnosis of her case, that her condition was not serious and that there was no need of haste.

Mrs. Goodpasture seeks \$25,000 general damages and the remainder, she states, is the amount who was compelled to pay for the two operations, hospital services and nurse hired.

BOYS PASS SCOUT TESTS

TROOP NO. 3 TAKES HIKE SOUTH OF CITY

Practice tests in first and second class scoutcraft were conducted yesterday afternoon in the woods by members of Troop No. 3, under the leadership of Dorrian E. Patterson, scoutmaster.

The boys hiked to a point south-east of the city where the following tests were passed: First class cookery by Orren Brownson and Alvin Patton. Fire building, second class cookery and pacing by Linton Loullen. Second class cookery by Norman Harrell.

Nature study followed, the boys returning to their homes in the evening.

HOWE—MARCH 11, 1926, at Baton Rouge, Louisiana, to Dr. and Mrs. Henry V. Howe, a seven-year-old daughter, named Patricia Evelyn. Dr. Howe is a son of Professor H. C. Howe of the University of Oregon. Both Dr. and Mrs. Howe are former students of the university.
