

EVERYTHING SET FOR OPENING GAME TODAY

Albany to Oppose Eugene Here at 2:30 p. m.

TILT AT FAIRGROUNDS

George Wilhelm to Open Season by Tossing First Ball: Both Nines Colorful

Albany of the Willamette valley baseball league will come to Eugene this afternoon, for the first Eugene home game of the season, on the fairgrounds diamond, at 2:30 o'clock.

Last year Eugene twice defeated Albany, while the Alcos took one win from Eugene. With the count two to one on games against them, the Albany team is coming over with a view to vengeance.

A colorful team will be the guest of Eugene. Red Ruppert, bench manager and coach, is one of the old timers of the valley, as far as baseball is concerned. For years he has nursed semi-pro ball along in Albany, and has a reputation of being one of the smartest baseball generals in the circuit.

Billy Reinhart, Eugene coach, will match against Red. Reinhart has the reputation of being one of the best baseball coaches in the Pacific coast intercollegiate conferences, and his skill with the bat-leaguers hasn't dimmed his reputation in the least.

Coleman on Mound Pitching for Albany will be Ralph Coleman, coach of baseball at Oregon State college, and rated as one of the best pitchers of the valley circuit. Eugene, on the other hand, has Fred Burton, who last year pitched eight wins and but one loss during the playing season. Smith, a former Nebraska State leaguer, also will be available for Eugene, and Delip, a southpaw, is ready for action.

The lineup of the Eugene team will not be announced until the start of the game, but it will be something like this: Bliss, catcher; Burton or Smith, pitcher; Hinch, first base; Graham, second base; Wirth, shortstop; Van Duvn or Mulligan, third base; F. Reinhart or Van Duvn, Manager and Sorsby, outfielders.

Wicks, of Wendling, will call the balls and strikes, while Shy Huntington of Eugene will umpire on the bases. The Eugene team was out last night for hitting practice, as a tapering-off for the Albany contest. The Eugene team has been working hard at every available opportunity, and is in pretty fair shape.

Spectator's View Better The diamond on the fairgrounds will be laid out this morning, with the home plate about 10 feet from the grandstand. Last year, it was about 40 or 45 feet from the grandstand, so this year the fans in the big stand will have a far better view of all that is going on.

The Albany team will take the field at 1 o'clock for hitting practice, and will be followed by the Eugene team. Then the visiting Alcos will go on for a brief infield drill, and the game will be called. The start is scheduled for 2:30 o'clock.

George Wilhelm, president of the league, will toss the first ball over, officially opening the home season for the Eugene team. Lefty Schroeder, reserve twirler, and former coast league pitcher, will be with the Albany team. He will play in the outfield unless called upon to pitch. He is one of the best hitters on the Albany team, taking second place only to Hecker, shortstop.

Eugene will send one of the strongest playing outfields in the league against the Albany men. The infield, while not so strong nor so fast as the outfield, has been stacking up much better with additional practice. Salem will be pitted against Wendling today, and Cottage Grove will be playing on the other side of the Cascades with Bend.

SUPPORT OF HOOVER ADVISED BY MELLON

(Continued from Page 1) his "I do not choose" statement last summer in the Black Hills. The supporters of Hoover saw in Mr. Mellon's assertion that "Mr. Hoover seems to come closest to the standards that we have set for this high office," a complete assurance that Pennsylvania's coveted block of 79 delegates—the second largest in the convention—would drop into the Hoover bag at Kansas City. They did not hesitate to add that this removed all doubt of the result. Already the Hoover managers are claiming upwards of 500 in delegates already selected or definitely assured, although these claims are hotly contradicted at many points by the opposition. It takes 517 to nominate.

Support Thrown to Hoover "Senator Borah of Idaho whose state has decided to vote for him at Kansas City said that if Mr. Mellon meant it, it means Hoover's nomination."

"That is to say, if Pennsylvania is added to what Hoover at present has it would seem to insure his nomination."

Senator Norris of Nebraska, who likewise has some delegate support in the state, said that the treasury secretary's words "seem to indicate that he is for Secretary Hoover."

"That will go a long way to nominate Hoover," said Norris, "probably it will do that."
