Miles Over Lon Moore; George
Souders Is Third

SPEEDWAY. INDIANAPOLIS, May 30.—(AP)—A baby-faced youngster, just 21 years old, Lou Meyer of Los Angeles, won the \$500 mile automobile race over the Indianapolis motor speedway today, defeating the crack drivers of the nation while a record breaking crowd of from 135,000 to 150,000 roared their tribute.

The boy from Los Angeles winning his first major race, rode the entire distance without a mishap, leading with a lead of about 2 1/2 miles over Lon Moore, whose car at the finish was being driven by Schneider, relief pilot. George Souders, former Purdue university student, winner of the 1927 race, pulled up in third place about five miles behind Meyer.

Ray Keech of Philadelphia, holder of the world's straightaway record for the mile, was fourth, trailing about 25 miles behind the flying leader. Fifteen of the original 20 starters finished the punishing grind but with all of the pre-race favorites hopelessly out of it.

Makes Only One Stop. Meyer bumping over the perilous 2 1/2 mile brick track, making only one stop, covered the distance in 5:01.55.75, averaging 99.482 miles an hour. He stopped once for two minutes and 15 seconds, to take on oil, gas and water.

Meyer's average of 99.482 miles per hour set a new record for the track for motors of 21 cubic inches piston displacement. Pete De Paolo set the track record of 101.13 miles per hour in 1925, with a motor of 122 cubic inches displacement. Last year's title was won by Meyer with the same size motor as was permitted today.

Meyer who a week ago, did not have enough money to buy a car, was enriched to the extent of about \$25,000 as a result of his victory. He only succeeded a week ago in digging up a Boston friend as his angel to furnish the money to purchase his car. The machine really ran an old timer in the racing line. It was used by Anthony Gullotta in finishing third in the race a year ago.

Old Car Painted Red. Given a coat of red paint, with a huge number 21 on the hood in black on the hood and tail, Meyer was as proud of his car as if it had just come out of the shops.

Meyer broke into the racing game as a mechanic for Fred Elliott, who has since retired and a year ago rode a few laps in the Indianapolis race as relief driver for Wilbur Shaw.

The trio of favorites, Leon Duray, Los Angeles, Cliff Bergere, of Chicago and Cliff Bergere, another Los Angeles entry, who ended up in disaster early in the race, victims of motor trouble. Duray at the outset set the same dizzy pace he showed in his qualifying round and burned up the course as the leader for the first 162 miles.

Bergere was forced out with a broken distributor shaft. He was speeding 50 miles and Woodbury was declared out on his 137th mile because of a broken timing gear.

Just what effect settlement of the contests will have on the convention lineup when balloting for a presidential nominee sets going remains to be seen. In most instances one set of the contestants are avowedly for Hoover and in some cases have been included in the claims of Hoover managers as to delegate strength. SERVICES HELD AT CHURCH
AND CEMETERY

Graves of Soldiers Decorated With
Flowers and Flags; Trumpeter
Sounds Taps Over Dead

(Register Lane County Special)
CRESWELL, Ore., May 30.—Memorial day was observed by the community in appropriate exercises this morning, beginning with a meeting at the Methodist church. Charles Wetzel, master of the local Grange, presided, a men's chorus sang a singing of patriotic songs. Mrs. C. L. Kent, accompanied by Miss Florence Shaub, sang a solo and Dr. H. A. Wheeler led prayer.

The address of the day was given by Rev. Duncan P. Cameron of Cottage Grove, pastor of the Presbyterian church. He suggested that it would be good to have more decoration days. An expression of appreciation of the address was given by the congregation as they rose to their feet. H. A. Howe announced plans for the services at the cemetery.

After the service the congregation adjourned to the cemetery. Never before has the cemetery been so well prepared for the occasion. In addition to the flowers taken, the graves were nearly all decorated with flowers. A cortege of young people, headed by the flag and a trumpeter made the rounds of the soldiers, 26 in number, and a bouquet was laid on each grave in martial order. H. A. Howe was master of ceremonies and announced the names of the soldier as his grave was reached. Edgar Louk, the trumpeter sounded "taps" and a most impressive service was held.

Each grave was decorated with a flag as well as with flowers. The graves of the three American Legion soldiers were decorated with wreath and large flag which had been brought from the legion organization of Cottage Grove by Rev. Mr. Cameron and of which organization the soldiers had been members.

UNDERNEATH a clear, smooth skin, healthy tissues—full of rich, red blood—thrive. No worry about pimples now. Instead there is a certain satisfaction that gives confidence. All this because rich, red blood is Nature's way of building and sustaining the body. Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women. You know a clear skin comes from within. Correct the cause—through the blood—and pimples, boils, eczema and that sallow complexion will disappear. Thousands have regained their strength and charm by taking a few bottles of S.S.S.—Nature's own tonic for restoring the appetite—building strength—and clearing the body of so-called skin troubles. "I was troubled with pimples and blackheads. I took a course of S.S.S. It cleared my face and back. I think S.S.S. is wonderful. I have told many friends about S.S.S., and they are getting as much benefit as I did." Miss Ruth Gahm, 1134 Elden Ave., Los Angeles, Calif. All drug stores sell S.S.S. in two sizes.
