GREAT RESULTS FROM COMPOUND

Read How This Medicine Helped This Woman

Brainerd, Minn.—I read about Lydia E. Pinkham's Vegetable Compound in a newspaper and I have got great results from its tonic action at the Change of Life. Before I took it I was nervous and at times I was too weak to do my housework and I was this way about a year. But now I feel all my housework and do chores as well as also. I must say that Lydia E. Pinkham's Vegetable Compound has no equals for me and no woman should be without it. I sure can say a good word for it. Mrs. J. J. Brainerd, R. R. 7, Brainerd, Minnesota.
