I was talking to my friend one day and she passed the remark of how thin I was getting since I got married and I told her my trouble and she advised me to take the Vegetable Compound. I feel a lot better now since I have been taking it regularly and I can eat most anything. I recommend your medicine to anyone who tells me of troubles like my own. For I know what it has done for me. I have also used your Sanative Wash. I am willing to answer women if they ask about the medicine."
