RODEO IS IN FULL SWING

Crowds From Southern Wasco County Are In Attendance at the County Fair

Final arrangements have been completed for the Dalles' big annual event, The Rodeo and Wasco County Fair. Already the city is assuming the appearance of an early day town in the cow country. Big cowpuncher hats, bright colored shirts and handkerchiefs are very much in evidence, and the whole city is working together to make the 1914 Show the biggest and best ever.

The Dalles is really the home of the Rodeo, and although others have taken up the idea, all performers in this line look toward The Dalles as the original Wild West Show town. Wild West performers always like to come to The Dalles, and a large number of the stars in this line have already been contracted with. The Famous Spain Brothers, John and Fred, Baldwin, the champion roper of the World, Cuba Cruthfield fancy and trick roper, the Roach Brothers, experts at tying and in others Wild West performances, Darrel Cannon, and Max Gaunt, exhibition riders, James Massey, Buffalo Vernon and Frank McCarroll, bulldozers, Lee Caldwell roper and rider, Johnnie Tyacke, Charlie Bolin and Smithly Corbett will be at the Rodeo, as well as many other prominent performers. The fair sex will have its representation in Babe Lee, Hazel Moxie, Hazel

Walker, Maude Bolin, and others. Jim Crouch, who last year was the prize winner here in a bucking contest, was to appear, but he received injuries at Toppenish, from which he died a few days ago. Many famous horses will appear at this Show. A few of them are Introduction, Snow Storm Mollie, Handsome Harry, Lookout, Morgue, the Jew, Sunfish Mollie, Snake, Rambler, Maggie, Twister, Bald Hornet, etc. Arrangement have been made to secure horses that have never been ridden before, and efforts to ride them will provide much amusement for the crowd.

Liberal prizes have been arranged for in all events, the total aggregating in the neighborhood of \$5,000.00 and as the very most expert person in all lines have been engaged as judges, fair treatment is assured everyone.

The committee in charge has arranged for one continuous round of pleasure and profit. The mornings will be given over the agricultural. Live stock, and other exhibits, and no admission to the grounds will be charged in the forenoons. In the afternoons the Rodeo-- the amusement feature, will hold the boards. There will be races of all kinds, such as running, relay, pony express, Indian, squaw etc. There will be bull riding, fancy roping, bucking contests, wild horses races, in fact, every moment of the time will be taken up with thrilling Wild West feature. A cowboy parade will be held each morning at 10 o. clock.
