## NEW PAPER IN COUNTY SEAT

### Maupin Man to Start Daily Newspaper to Boost Entire Wasco County

Within a few days the publisher of The Maupin Times will commence the publication of a morning newspaper at The Dalles. The fact will in no way effect the Times, as to ownership or otherwise, except that there will be a good man on the job all the time who will give us an even better paper than we have had in the past. Mr. Walter V. Martin, of Woodland, Wash., is to have editorial charge of the Times. He left his former home Tuesday morning and will be here in due time. W. C. Walker will continue to be connected with the Times as publisher and

will be on the job here frequently, and as much of the time as is possible. The new paper at the county seat will make a point of boosting the entire county, and especially the southern portion.

### Public Meeting

A meeting will be held at Dave Dolandson hall Monday night for the purpose of discussing the proposed amendments and laws to be voted upon at the approaching election. All are invited to come and listen and take part in the discussion.
