BOX SOCIAL AND BIG DANCE FRI. EVE.

A box social and dance will be given by the band boys of Maupin, Friday evening. The event promises to be a success and everybody is invited. The baskets will be auctioned, and from all indications it looks like they will be well filled.

An all night dance will be given and those big lunches will come in just right.

Friday, November 6, is the date, and the dancers from neighboring sections, are expected to participate. Come one! Come all!

And with Oregon dry, the hop industry becomes a hop-less problem. Wheat is selling high and if some one can transform hops into wheat, great will he be.

On to Germany mit your stein.

Mrs. F. A. French of The Dalles, gave birth to twin boys, last week. She is sister to Mrs. E. A. Mayhew.

How dry will it be?

VALLEY ROLLER MILL BURNS TO GROUND

Friday afternoon at 1:30 p. m. fire was discovered in the interior of the Valley Roller Mills at Tygh Valley. It was ablaze throughout in ten minutes, and it kept every citizen busy protecting their property, as the fire for a time, threatened the entire town.

The mill was a total loss, excepting the flume. The dynamo which was the means of furnishing Tygh Valley with lights was also destroyed. A. M. Young, the manager of the mill estimates a \$10,000.00 loss. A defective flue is thought to be the origin of the fire. \$5,000.00 insurance was carried.

A new light plant will be installed at once at the mill power site.

George Vonderpool took the writer over to Tygh Valley, Monday evening, to listen to the band. He is trimming the boys up in good shape and before many months the band will be giving concerts.

Clyde Williams of Modesto, Calif, son of Mrs. Bates Shattuck arrived Tuesday morning for a visit.

J. W. Ward had the misfortune to break the steering gear of his car last Thursday evening, as he was crossing the John West bridge. The car fell eight feet, breaking the front part in many places and giving Mr. Ward a good shaking up.

The sale on Jupiter Flat netted \$1,400.00, cash, last Saturday.

This section is not financially embarrassed, even though the money curbing monopolies have been getting in their work for political purposes all over the country to starve the common people into voting for the ticket that money can dictate to.

Cashier Conklin, of the Maupin State Bank, made his semi-monthly visit to Portland, the first of the week, to enjoy Sunday with his family.

Happy Kenton, with the Geneva Lockes Co., likes our town so well he wants to come back, states D. A. Moad. An opportunity to have a dramatic club.

Heap fire water season. Suspicious people deserve to be watched much more, than those with whom they are suspicious.

J. S. Fraley and family, of Womack, is visiting at the Earnest Mayhew home, this week.

The loyal support of every man, woman and child, is needed in Southern Wasco county to keep a newspaper in its midst. We are seeking correspondents in every section of this part of the county and it will be a pleasure to represent any community or rural section through our columns.

An editor wants the good will of everyone. The paper which he publishes, must be for the good of all, and fearless.

A sale will be held in Tygh Valley at the W. L. Hauser ranch on Saturday, Nov. 14, at 10:00 a. m. Free lunch.
