MAUPIN BAND GIVES SATURDAY DANCES

Everybody Invited to Participate On Saturday Night of Each Week

The Maupin Band boys wish to announce to the public that they will hereafter give dances every Saturday night. Weather conditions and a small attendance will have no effect on the spirit of Saturday night dances.

This gives everybody a chance to loosen up their feet once a week, until it becomes a habit. A social dance every week becomes popular, because it forms better acquaintances and social circles become stronger. This means a great deal to small communities. Know one another and boost for better social affairs. The boys will give good music and real band music will be the novelty of these dances. Occasionally a spread will be given.

The boys have a debt to pay off for their band instruments, and will enjoy the patronage of all of Southern Wasco county.

New Goods Have Arrived

W. Staats & Co., have received a car load of new goods and Roy Slusher has been assisting. The past ten days in cleaning up and making room for the new supplies. Dry goods are one of their heavy shipments received, as well as school supplies, groceries and many other articles. Everything in a business way, goes to show that Maupin is a good town, as our merchants are continually receiving large shipments of goods, which means new and clean stocks at less money.

Wapinitia and Tygh Valley Bands Admitted Free

For the first four weekly dances, free tickets will be given to any member of the Wapinitia and Tygh Valley bands. Bring your sweethearts and wives and enjoy the hospitality of the Maupin Band. You are welcome. Let us help one another and form a "get together" spirit, that unites and builds up our entire section of the county.

Mrs. Thos. Flanigan returned from Portland, Monday.

School Notes

Prof. Irle of Portland, having accepted the position as principle of the Maupin school, took up his duties Monday morning. Mr. Irle is a teacher of wide experience and the school board is certainly to be congratulated on obtaining such a good teacher.

Lewis Emmons has enrolled in the several high school subjects. Grace Tunison is sick at her parents home with pneumonia.

There is to be a meeting of the patrons of the school, Friday afternoon at 2:30; at the school house. All interested are invited to be present.

There will be no school during the week ending November 27th, on account of the Annual Teachers' Institute held in The Dalles.

It has been the custom for the school children of Oregon to make a contribution to the boys and girls aid society about Thanksgiving time. They have been asked to do so again this year. Anything useful is acceptable and may be taken to the school or the depot, as all railroads going into Portland, carry these things free.
