BRUISE PROVES TO BE SERIOUS

Three weeks ago while down at Sherar with a crowd from Maupin after salmon, Vernie Roberts fell, snagging his left leg between the knee and ankle on a rock. Thinking it nothing more than an ordinary bruise, he continued his work until two weeks ago when intense pain and swelling made it necessary to get a substitute to drive stage and take a rest.

Mr. Roberts had been confined to his room since then until Sunday, when he tried to walk with crutches, causing a relapse of swelling, but is getting along nicely again and hopes to be on duty soon.

During the incarceration of Mr. Roberts, Job Crabtree, Ray Kayler and G. L. Harphan have each had a little experience carrying Wapinitia mail.

Fischer, G. L. Harphan, L. P. Kelly and their families having come up in their cars.

B. V. Tapp has been laid up the last few days with a severe attack of Lumbago, but is some what improved at present.

Memorial services were held at the Kelly cemetery Sunday afternoon, Rev. G. E. Wood delivering the sermon.

Binkie Tapp, Jr., was fishing at Maupin the first of the week. Some cold winds now-a-days.

Grasshoppers have hatched out quite thick on the Flat and it looks as though if there is nothing done, there may be a repetition of things of last year. If this country as a whole would turn out to fight them as was done in Kansas last year, there might be some show of saving the crops. Advice has been asked of the Oregon Agriculture

The picnic at Oak Grove Saturday was very well attended, although some of the schools that were expected did not show up, and Supt. of Public Instruction Churchill was unable to be present. A program was rendered and music was furnished by the Wapinitia band boys. A ball game was the feature of interest in the afternoon, played between Maupin's 2nd team and the high school boys here. The game was very interesting all the way through, but the Wapinitia boys won by a score of 16 to 8. They expect to play again Saturday at Maupin.

Wamic Items.

Many persons were in attendance at the play given in the hall Saturday night by the high school students and others. The play was a most interesting one and the songs, recitations, and music by the orchestra between the acts, made a most charming entertainment. A number came from Tygh and Wapinitia to witness the play which was given for the benefit of the high school.

The Wamic boys came over and played the locals another game, losing to Maupin 18 to 5. The visitors seemed to be having a 'day off,' only making one point in the first half of the game while Maupin had seven.

The local team: W. Miller c; Morris p; K. Miller 1b; C. Crabtree 2b; Confer 3b; Bonney ss; Chastain rf; Woodruff cf; R. Crabtree lf.

Next Sunday Maupin will be host to the Antelope nine, some of whom are league players, and a close, interesting game is expected.

Good Ideas

Why do not some of our progressive farmers and gardeners try raising French walnuts, at least enough for home consumption. One who has not raised them can't tell how good they are.

A good remedy for earache is the juice of a table beet strained and warmed and a half-teaspoonful poured in the ear. Grate the beet.

Muzzle the dogs; dog days will soon be here.

I am sitting where I can look into a neighbor's yard and see such beautiful roses that I wonder why every yard is not decorated in the same manner. Roses are not expensive and are easy to grow. For the busy housewife they are much more satisfactory than annuals.

at the Russell ranch Sunday.

Born to Mr. and Mrs. A. F. Russel, the 29th, a son, Mother and child getting along fine.

There were hot times at the Russell place Thursday, when as Al was cleaning out the chicken house, it caught fire. He got a burn but put out the fire.

A. R. Thornton, F. E. Spoor and an unknown party went to Maupin Friday.

The Woodcock sawmill started up Wednesday and will be busy from now on.

Among those from Smock attending the play at Wamic Saturday night were Orin Farlow and George Ayres.
