#### ALLEGED GERMAN ACTIVITY IN UNITED STATES IS INVESTIGATED

Washington, D. C .- At the instance of the British government the State department has called on the department of Justice to investigate the activities of certain German sympathizers in the United States who are alleged to have been employing unlawful means to strike at Great Britain and

Until inquiry has developed whether there is sufficient evidence to warrant proceedings no names will be made public, and officials of the departments as well as those of the British embassy, are reticent about discussing the matter. It is known, however, that information has reached the embassy concerning all kinds of plots, ranging from schemes to wreck bridges Heavy rains in Northwestern Ohio over which railroad trains were carrying volunteers of the British army to incitement of strikes at American industrial plants making war supplies for the allies.

Samuel Gompers, president of the American Federation of Labor, in discussing the strike that is scheduled for an early date at the Bridgeport, Conn., plant of the Remington Arms & Ammunition company, made the assertion that "foreign interests" have sought Oregon wins grand prize for the best by the expenditure of unlimited funds to bring about widespread labor troubles in the United States, with the view of preventing further shipments of supplies to Europe.

In one case the British government informed the State department it had resident of Detroit, Mich., who was alleged to have supplied money to cer-tain persons in Windsor, Ont., to finance an attempt to dynamite a Canadian armory and a factory making clothing for the British army. Great Britain inquired whether this case, if fully substantiated, would constitute military activity on American soil and a breach of neutrality.

#### Gradual Evacuation of Warsaw Reported to be Russia's Intention

London-The Morning Post's Budapest correspondent reports that the gradual evacuation of Warsaw has been ordered by the Russian staff.

This report, coming just when mili-tary experts in England have been discussing the possibility of capture of the Russian fortress, has alarmed the populace and seems to indicate a more serious condition in the Czar's realm than has hitherto been suspected. Can Warsaw be held? is a question

which has been on every tongue.

With the German Field Marshals Von Hindenburg on the north and Von Mackenzen on the south, whipping forward the two ends of a great arc around the city, it is realized in England that Grand Duke Nicholas, commander-in-chief of the Russian army, has the most severe task imposed on him since the outreak of the European war, and the military writers on some sociation in session in San Francisco of the London papers seem to think

There was sustained confidence that Germany's previous violent attacks The French are arming their troops along the Bzura-Rawka front would and carried so far without meeting serious Russian resistance that more and more the British press is discount ing the fall of the Polish capital and while not giving up all hope of its retention, is pointing out the enormous difficulties the Russian armies have labored under from the start by the existence of such a salient.

Italian and Austrian Ships Meet.

Rome, via London - An Italian cruiser squadron, comprising the Varese, Francesco Ferrucio, Giuseppe Garibaldi and the Wettor Pisani, proceeded at an early hour Sunday morning to Cattaro, an Austrian seaport in Dalmatia, and opened fire. During the course of the operations the Italian commander discovered that a number The German Crown Prince's advance of Austrian battleships had taken reagainst the French is said to have fuge in the harbor. bonding plan for building state roads
Mims, Minden, La.; R. B. Hummel, of in Oregon, as advocated by the advis-California, and Superintendent Boet-icher, Warren, O. Mr. Churchill also copies of his playground manual.

Hood River - Nothing daunted by the fire that destroyed their completed grading machine two weeks ago, just as it was ready for shipment to San Francisco to be exhibited in the palace of horticulture, Asa B. and Frank W. Cutler are bringing to completion a second machine. The new machine sizes apples so accurately that onetenth of an ounce difference in weight will cause fruit to drop into different bins. Excepting the machines used to detect frozen lemons and oranges, these being lighter than the unfrozen fruit, a weighing device has never before been used by fruit growers.

#### Walnut Growers Meet.

McMinnville - The walnut growers of the Willamette valley will fill the program at the opening meeting of the Grange here. It is estimated that the crop of the present year in Yamhill county will be from 75 to 90 tons. There will be a ton or more raised in the streets and on the residence lots of McMinnville, consequently the walnut men are in high spirits. It is planned to visit the big walnut trees in town and some of the orchards in this vicinity, and also to visit the Dundee orchards and the Orenco and Groner nurseries.

#### Road Bonds Indorsed.

Klamath Falls-"Resolved. That the ory board of the State Highway comicher, Warren, O. Mr. Churchill also mission, be and is hereby indorsed by has received numerous requests for the Tri-State Good Roads association, and that the Pan-American Road congress, to be held in San Francissco and Oakland September 13-17, be and is New Weighing Machine for Apples. urged to give the plan its hearty support and indorsement."

This resolution was passed meeting of the directors of the Tri-State Good Roads association, embracing Oregon, Washington and California, in this city Saturday night during the visit of the advisory board of the State Highway commission, Mr. being executive secretary and Mr. Worden treasurer of the board,

The project contemplates bonding the state for \$10,000,000 to construct trunk roads. The road which will affect Klamath county most will be a trunk road from the end of the Columbia Highway down through Central Oregon to Bend, to Crater Lake, to Klamath Falls and thence out to the Pacific Highway.

#### Ten Cars Box Shooks Sent.

Klamath Falls-Ten cars of box shooks were shipped from the Klamath Falls freight yards by the Ewauna Box Factory, each car being valued at \$500. The Ewauna plant has announced that it will run all winter this year, since they have a contract to ularly. California onions are off the work 17,000,000 feet of lumber into market for the season. box material. The capacity of the mill is about 1,250,000 feet a month.
