Thanking you in advance, I am,
Yours truly,
OTIS M. BROWN.

Tygh Valley Items

Mrs. Shannon returned to her

home with Mrs. Oliver, from Sherman county.

The fair is a thing of the past, but no one has thanked the men who so kindly furnished the music for the occasion. It was just a pick up band, all quite good musicians, but had had no practice at all, but the music was surely fine and all deserve a vote of thanks from everybody. The Wapinitia band came down and donated their music for which everyone thanks them and all enjoyed it. Come next fall boys.

Garage Burns

A. A. Derthick lost his garage and blacksmith and carpent tools by fire Sunday night, which started by the gas catching the flame in the lantern while he was drawing gasoline for the car, causing an explosion and conflagration, the flames reaching forty feet in the air. The car would have also been destroyed but for the presence of mind and physical strength of Gussie Derthick who took hold of the machine and pulled it out with the breaks on. Mr. Derthick sustained a burn on one hand from releasing the breaks while the car was being pulled out of the garage. One front tire was also damaged.
