Born to Mr. and Mrs. Roy Batty, last Tuesday, January 11, a boy. Mother and child are doing well.

A dance was given at the home of Mrs. Annie Smith last Friday night. Quite a large crowd attended and all report a splendid time. R. W. McCorkle and Ira Gresham made a business trip to Maupin last Saturday.

Miss Ruby Wilson was a guest at the Tapp home from Friday night till Monday morning.

Mrs. Herman Knopf and daughter, Estrada are quite sick at present.

This place continues to be in the clutches of winter, the thermometer having dropped 15 degrees below zero Monday morning. Saturday and Sunday was one continuous downpour of snow, making about 18 or 20 inches on the

ground now. The ground has been covered with snow ever since Christmas, making almost 25 days of feeding weather. Every one seems to have plenty of feed at present for their stock but if this weather continues feed prices will soar, as the farmers here only figure on about 30 days of feeding weather during the winter. The cold spell has broken now and from all indications we may expect a chinook in the next days.

Jack-rabbit catching is the principal employment of the boys at present, the snow being so deep one can catch them with their hands.

Mrs. Chas. Cox has been quite sick the past week.

Robert Tapp, while taking a sleigh ride with some girls fell out of the sleigh backwards three times.

Mrs. Meyers of Parkdale is visiting her daughter Mrs. Frank Huston and getting acquainted with her little grandson.

Ora Maynard is digging a well on his place this winter. When completed it will be 47 feet deep and 12 feet wide.

David Sharpe is making a new bob-sled.

Vincent Tapp was a guest at the Flinn home Tuesday night.

Lincoln Hartman who has been quite sick for the past two weeks is able to be out again.

Elmer Hammer, a former resident of this place, now living in

Quite a number of the Nimrods have been taking advantage of the fresh snows of the past week to hunt rabbits. These little animals have seemed very much demoralized recently, playing in the streets in the early mornings and even taking up their abodes under buildings in town.

RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and remove dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.
