MAUPIN, SOUTHERN WASCO COUNTY, OREGON, FRIDAY, MAY 26, 1916

THE YEAR \$1.50

STRAWBERRIES HERE AGAIN

Saturday R. Johnson harvested the first of his strawberry crop for this year, bringing four boxes to Maupin. Owing to cold weather they have been very slow ripening, but yesterday afternoon he brought in thirteen more boxes of fine ones, and says there will be lots of them next week. Mr. Johnson is optimistic over a banner year of fruit, despite the frosts, which, while so effective elsewhere, have done very little damage on their place. He presented us with three nice boxes of the luscious fruit.

Mr. and Mrs. G. R. Ellis arrived home yesterday afternoon.

ELECTION RE- TURNS--OFFICIAL

Some Surprises

Several surprises were sprung in the preferential primary of last Friday the chief of which was the defeat of County Assessor J. A. Davis for re-nomination by C. Y. Cooper. The friends of Mr. Davis had not dreamed of defeat and expected their candidate to snow his opponent under. Mr. Cooper, however, carried 22 precincts out of 37 and won the nomination. Mr. Davis won in the country precincts by 29 votes, while Mr. Cooper received in the city precincts a majority of 115, giving

the latter clear majority of 86 votes in the county.

Sheriff Levi Chrisman also accomplished the unexpected and defeated his opponent, F. C. Sexton by a 3 to 2 vote and carrying the county with a majority of 436.

The race between W. A. Bell and Paul Childers, for the nomination for district attorney was fairly close, the former winning with a majority of 127.

Hallie S. Rice defeated O. R. Krier by 256 votes and was renominated for county treasurer.

For the office of county commissioner F. C. Clausen defeated E. C. Fitzgerald by what proved to be almost a two to one vote. Mr. Clausen receiving 1340 and Mr. Fitzgerald 788 votes.

The closest race for a county office proved to be that between A. W. Mohr and Roy Campbell for county surveyor, Mr. Mohr winning by 81 majority.

While the unofficial figures have J. L. Kelly for joint representative a lead of 98 votes the official counts in both counties have reduced that plurality to seven. His opponent, J. T. Adkisson, says that he will not contest. Mayor J. E. Anderson is safely ahead for representative by over 500 votes.

Four candidates were without opposition. County Clerk L. B. Fox led the ticket with 2079 votes. County School Supt. Clyde T. Bonney was a close second with 2066 ballots to his credit. Coroner C. N. Burget received 1853 and Fred Wilson was endorsed for circuit judge by 1731 votes.

J. W. Allen and A. R. Barnett were nominated for justice of the peace and constable, respectively of The Dalles District.

Justice Hughes received a plurality of 601 votes in the county over Albert Cummins and Theodore E. Burton.

Very few progressive ballots were cast, probably less than a dozen being used in the entire county.

Among the democrats interest was negligible. The following were renominated: George K. Wilbur for state senator; W. L. Bradshaw for circuit judge; F. V. Galloway for district attorney; C. L. Darnielle, for sheriff; D. L. Cates for county treasurer and J. L. Harper for constable.

The names of Mrs. Alexander Thompson and J. T. Harper were written on enough democratic ballots to award them the nomination for joint representatives.

Justice Hughes has received a clear majority of more than 20,000 votes in the state over all other republican presidential candidates. The name of Colonel Roosevelt was written on the ballot by quite a number of admirers in various

parts of the state.

The count has progressed to a point where it is certain that the four republican delegates-at-large to the republican national convention from this state will be Charles W. Fulton, George J. Cameron, Daniel Boyd and Charles H. Cary.

The election of Judge A. S. Bennett, of this city, as delegate to the democratic convention and that of T. H. Crawford of La-Grande and Frank L. Armitage of Lane county is assured. The race for the other seat is still undecided. Judge Bennett headed the state democratic ticket with 12,716 votes.

It is conceded that Olcott will win over Moores for secretary of state by 10,000 votes.—The Dalles Optimist.

On the local ballots the name of W. H. Staats was written twice in place of N. J. Sinnott, and Mr. Staats is planning on entering the campaign next time.

The names of L. C. Whilhem and F. D. Stuart were each written twice, and Peter Kilburg, I. J. Carson, and L. D. Kelly once for local office of justice of peace.

For constable, the names of W. H. Williams and L. D. Kelly occur twice each, and Peter Kilburg, D. M. Shattuck, F. Creager, W. H. Williams, once.

Local Overflow

Miss Phyllis Fischer left on the Wednesday night train for a visit with friends in Forest Grove, and while there will be an honor guest at an Alumni banquet, for which the high school and university of that city are so popular.

Criterion

On Thursday, the 18th, Miss C. C. Miller of Criterion and James T. Crowley of Independence were united in marriage at the home of Rev. Thurston of The Dalles. After visiting a few days in Portland, they will go to Independence where they will make their home. The bride was accompanied by her brother, J. E. Miller of Criterion.

And still it rains. On Monday Morning the hills southwest of this place were covered with snow.

The Bonney Bros. are making good headway plowing with their gasoline tractor.

On Friday last the ladies of the neighborhood spent a delightful afternoon at the home of Mrs. A. A. Canfield, the occasion being a miscellaneous shower for Miss Bertha Herrling of this place. We hear she left the 21st for Willamette valley points and suppose we will see no more of 'Miss Herrling' in these parts, but understand 'Bertha' will soon be back among us.

Gertrude Mathes, who has been staying with Miss Herrling went to her home in Portland Sunday.

MORE BASE BALL LAURELS

While it was conceded in favor of Maupin when our first game of the season to be lost was played at Grass Valley, that having come so far we had not physically an equal opportunity with the home team, the Maupin base ball boys demonstrated to the Gateway league players at that place Sunday that they had become masters of the situation. After seventy-five mile drive that morning through a strong wind, and encountering some rain and hail, they captured the game by a score of 26 to 6.

A number of the boys had 4 scores to their credit at the completion of the game, all having made good records.

Sunday Dufur will meet the locals on the home diamond and June 4th we will go to Dufur for a return game.

last week to bring back a bunch of cattle. General rumor has it that he will bring a cook also.

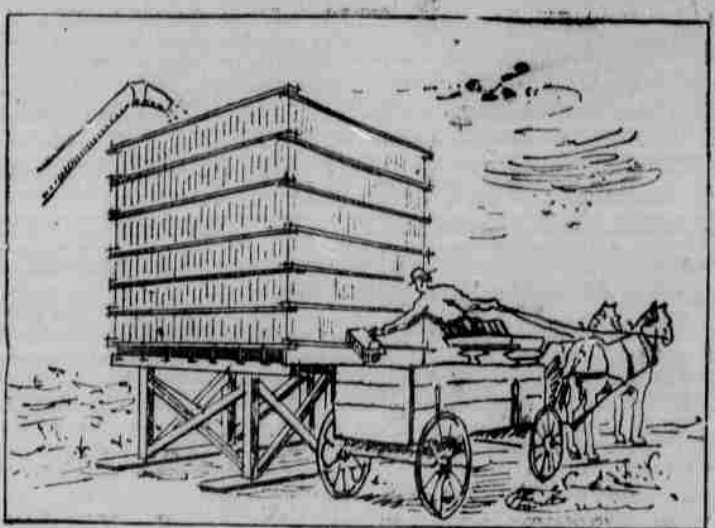

Bakeoven

Thursday evening Miss Southerland closed her school with a very pleasant entertainment. About fifty were present. There were two dialogues, Beauty and

Have you ever lost a crop of hay through mustiness or your barn and hay through spontaneous combustion? There is one sure way to prevent this—
**USE SALT
when you stack your hay
IT PAYS**

The salt more than pays for itself in the weight of the hay. There is a further gain in weight through moisture held—and the stock will eat up salted hay clean where unsalted hay will be finessed over and wasted.

20 pounds of salt should be used to each ton of hay. Stack three feet of hay, sprinkle the salt over this by hand. Then another layer of hay, more salt, and so on.

Experiments carried out at the Wisconsin experiment station indicate that salt should be supplied to dairy cows unless the ration furnishes a sufficient quantity thereof. It is calculated that the minimum quantity in the food to keep a cow of 1000 lb. dry weight in flourishing health is that which is equivalent to 3.1 oz. salt per day, and that a cow in milk needs as much more, as will restore the proportion removed in the milk, namely, a little over 1.2 oz. of salt for every 20 lb. of milk.

the Beast and Blue Beard in costumes which the children made with a little help. The Field and City mouse by Everett Higgins and Irving Harvey dressed as mice was comic. They lisped their words and one little fellow got tangled with his long tail, which created much amusement. Little Roderick Mays monologue, "Playing Old was cunning, these with numerous recitations entertained the audience nearly two hours. The pupils then served a splendid lunch of sandwiches, cake, lemonade and candy. Miss Southerland and pupils deserve much credit for the fine program and dandy feed.
