Gets Arm Broken

(Wapinitia)

Archie Tapp had the misfortune Tuesday evening of getting his arm broken. He was at Maupin where he had taken the car to meet his mother and sister Winnie who were returning from Hood River. He was cranking the car when the back action of the car hit on the arm breaking it in the wrist. Dr. Elwood was immediately called and set it. Miss Winnie drove the car and brought them home.

Wednesday morning during one of the recent showers of rain, hail fell in T. E. Morgensen's canyon near Tygh until, as Mr. Morgensen expressed it, he could have shoveled up wagon loads.

PIONEER LADY LAID TO REST

Grandma Delore

(Wapinitia)

Death entered our midst last Wednesday at 5 o'clock and took from us one of the oldest pioneers of Juniper Flat, Grandma Delore, as she was called by every one.

Rose Peree was born at Prush Prairie in Marion county, Oregon, married to Basil Delore in 1864. To this union four children were born, one son surviving, Moses who lives here, her aged husband, five grandchildren, five great-grand children and a host of friends remain to mourn her loss.

Grandma always enjoyed good health until about ten years ago, when she was injured in a run-away, from which she never fully recovered. She was very kind

hearted, always ready to help care for the sick. Strangers were made welcome at her home; she was a good neighbor, and the long years of pioneer experience gave her many opportunities to help others. Mr. and Mrs. Delore moved to the Flat about forty years ago and have spent most of their time since in this community. She was a faithful companion and a friend to all. Her last illness commenced about a month ago.

Grandpa Delore has the heartfelt sympathy of this community in his sad bereavement.

The funeral services were conducted by Rev. M. H. Staines; interment made in the French cemetery about three miles from here.
