Answer on Tygh Fair

or she would realize we are only a small vicinity after all, and that we strive hard every year to make a showing at all. The person evidently anticipated another rose festival, and it is too bad we made such a poor showing when we were so closely watched and criticized by such a distinguished guest. The person also made several remarks about the Wapinitia band. We wish to say that we were perfectly satisfied with the music which they so generously rendered us, and had we known this person did not like the music we gladly would have asked the band to cease. Should this person come next year, we must prepare ourselves and fix things up to suit her.

and commence teaching our rusty selves how to behave in the presence of so distinguished a superior.
