308 X YES IS A VOTE FOR YOUR CHILDREN

SQUARE DEAL FOR EASTERN OREGON

If you are in favor of a square deal for the country East of the Cascades you will vote for and work for THE PROPOSED EASTERN OREGON STATE NORMAL SCHOOL AT PENDELTON, OREGON. Oregon has but one Normal School. This school is located at Monmouth and is not able to supply more than TEN PER CENT of the teachers required in the public schools of Oregon. Of the more than six thousand teachers in our public schools, BUT 15 PER CENT are graduates of Normal Schools. It is a matter of simple justice to the country East of the Cascades to establish a Normal School East of the mountains to furnish thoroughly trained teachers for the schools of Eastern Oregon.

TRAINED INSTRUCTORS WANTED

Every resident of Eastern Oregon has a vital interest in the passage of this measure for Eastern Oregon pays HIGH SALARIES to her teachers and is entitled to the services of TRAINED INSTRUCTORS.

ONLY COSTS 4 CENTS PER \$1,000

The annual cost of maintenance of the proposed State Normal School amounts to BUT ONE 25TH OF A MILL OR 4 CENTS ON A THOUSAND DOLLARS of taxable property. Isn't it worth this to you to have your children trained to become USEFUL AND PRODUCTIVE citizens?

STRONG ENDORSEMENT

J. A. Churchill, the State Superintendent of Public Instruction, voices the sentiment of the educators of the state when he says:

"Ours is the greatest need for its rural schools is the teacher who has had full preparation to do her work. Such preparation can best come through Normal School training.

"I trust that the voters of the state will assist in raising the standard of our schools by establishing a State Normal School at Pendleton. The location is central, the interest of the people of Pendleton in education most excellent, and the large number of pupils in the public schools will give ample opportunity to all students to get the amount of teaching practice required in a standard normal school."

The educators of the State insist that Standard Normal Schools be located in towns of 5000 population or more and having ENOUGH GRADE PUPILS FOR TEACHER PRACTICE.

BE LOYAL AND VOTE RIGHT

Show your loyalty to the best interests of Eastern Oregon and of the whole state by working for this measure and by voting YES FOR NO. 308. By voting YES for No. 308 you will help to GIVE TO THE SCHOOL CHILDREN OF OREGON THE SAME ADVANTAGES ENJOYED BY THE SCHOOL CHILDREN OF OUR NEIGHBORING STATES.
