She Was Shopping.

She had been sitting in the furni-ture shop for nearly two hours, inspecting the stock of linoleums. Roll after roll the perspiring assistant brought out, but still she seemed disbrought out, but still she seemed dis-satisfied. From her dress he judged her to be a person of wealth, and thought it likely she would have a good order to give. When at last he had shown her the last roll he paused in despair.

"I'm sorry, madam," he said apologetically, "but if you could wait I could get some more pieces from the factory. Perhaps you would call with what above \$1.00 h is not out.

The prospective customer gathered her belongings together and rose from the chair.
