Improve Our City

There is an urgent need for a thorough "clean up campaign" in Maupin and there isnt a resident but knows of the unsanitary conditions existing.

Several have well kept lawns and tidy back yards, while others have surroundings that are not complimentary to the owner.

We are sure this is due to carelessness though if an officer of the department of health should make us a visit there would be "something doing."

Lets all take a working interest and start the clean up work at once, thereby enhancing property values, sightliness, health conditions and showing to visitors that we have as neet a little city as can be found.

Don't forget to use plenty of lime in cess pools and all places where foul matter exists. If you can't get lime dry earth is a good substitute.—Contributed.

All those indebted to me will please pay the same at the Maupin State Bank by the 15th of Nov.
