## Walt Mason Says:

"When my singing makes me hoarse, which happens, as a thing of course, Stearns' Zymole Trokeys makes my throat produce a clear and golden note. These Trokeys are the finest thing—a blessing to the man who sings, and to the orator, whose speech through hoarseness oft becomes a screech. 'Be sure,' I often tell my spouse, 'to have some Trokeys in the house, for every time I catch a cold I get so hoarse I cannot scold, and then I reach for one or two, and I'm again as good as new.'"
